A. J. Grauer
Superintendent
School District 48J
Sheridan, Oregon

Dear A. J.:

This letter is to inform you that I am retiring from teaching this year. I have truly enjoyed the students, parents, staff, and administrators with whom I have worked.

I'm looking forward to the next chapters in my life and will spend time grandparenting, travelling, reading, gardening, and substitute teaching.

Sheridan School District is the very heart of the community. I have felt honored to be part of it.

Sincerely

Leslie Toevs
5th Grade Teacher
