FOR ACTION

Subject: Closed Session Minutes Review & Destruction of Digital Recordings

Twice a year, the Board, by law, must review its closed session minutes and decide which minutes, if any, can be opened to the public. Additionally, the Board can act to destroy audio tapes older than 18 months old.

Recommendation: The Board of Education approve the continued unavailability of closed session minutes, and the destruction of closed session audio tape for the board meetings 18 months or older.
