Any profit or non-profit organization located outside the boundaries of CISD will not be permitted to use CISD facilities. Facilities will not be available at anytime on Sundays or Wednesday evenings.**

The Celina Recreation Association may be permitted to use school facilities, provided that fees have been paid to the district in advance of the needed use, and that other conditions set forth by this policy have been met and adhered to. The fees will be determined by the Celina Independent School District Board of Trustees, and are intended to cover the cost of utilities, maintenance and up-keep and any required personnel that may be provided by the school district.

The CRA is organized and operated for the purpose of providing the youth in the Celina area an opportunity to participate in an organized sports league. The CRA, in agreement with and in conjunction with the CISD and the City of Celina is the districts' designee for the use of school athletic facilities. ### **Outside Organizations and Clubs:**

This group includes approved churches, clubs, and organizations located within the boundaries of the school district. The district may require these groups to provide a membership list or other identification that indicates the group is under the direction or sponsorship of an approved group or club. ### **Requests for Use of School Facilities**

The rental request for any gymnasium will be scheduled through the Athletic Department. All other requests for district facilities will be scheduled through the campus secretary of the appropriate campus.

The request for use of district facilities by the first two priority groups shall be placed on the school calendar located in the Celina Independent School District Athletic Office or the school principal's office as soon as their schedules become available. **No group other than these first and second priority groups may use the school facilities during regular school hours.**

The CRA will provide practice and games schedules a minimum of 7 days prior to the first day or night of the intended use. These schedules will be submitted to the athletic office and/or principal office on the campus and placed on the calendar and all fees paid prior to the start of each CRA sponsored sport or recreation.

If a scheduling conflict arises after the CRA has submitted their schedules, every effort will be made to accommodate the CRA, however, the first two priority groups will always be given priority of usage for school facilities.

The 4<sup>th</sup> priority group will be required to submit their requests to the athletic office or the school principal's office a minimum of 5 days prior to the intended date of usage. If available and if the request is approved, the request will be placed on the calendar and all fees and deposits (if required) will be paid at the time of request.
