

Stephenville ISD Code of Conduct Update 2018-2019

Because TASB's *Model Student Code of Conduct* is updated in odd-numbered years after a legislative session, Policy Service will not release a new document this year.

The only update to the TASB Model Student Code of Conduct is the update to Board Policy FFI-Local (Student Welfare-Freedom from Bullying). It was approved by the school board and updated November 2017.
