Re: High School Principal Report March 2024

Greetings from HHS!

We had a full month in February with FFA events, BPA State, our Drama Production, as well as our Robotics team in competition mode. We also wrapped up our Winter sports with Cheer, Wrestling, Girls Basketball and Boys Basketball. It is always great to see our students involved in so many events and activities. The reality is that it creates challenges in the classroom and it takes unique educators that truly embrace the idea of well rounded students. Our teachers are always going the extra mile to ensure our students' needs are always being met. What our teachers, leaders, coaches, and mentors do on a daily basis with our students is something we can all be very proud of as they all represent themselves, their families and our community very well!

In the coming weeks we have parent teacher conferences as well as the end of the 3rd quarter. A large number of our Juniors will be participating in the SAT test on March 20th as well. We are looking forward to the Spring and hopefully the sun will begin to shine a little more as Spring sports are now in full swing.

The PBIS theme of the month this month is Safe. Being Safe is not just about physically staying safe but also mentally being safe. This comes from knowing your environment both physically and mentally. Surrounding ourselves with positive people is part of creating a safe environment to function and grow in. We will be talking with our students about this topic as well as each of our themes this month. As we continue to encourage our students to be Respectful, Responsible, Safe and have a Positive Attitude, we hope they take these skills and apply them to life beyond school.

As always we are truly blessed to be here and to be a part of HHS!

Enrollment- 2-8-24

Freshman- 106

Sophomores- 116

Juniors- 87

Seniors-94

Total Students- 403
