

PURCHASE RECOMMENDATION FORM
Requesting Board Approval for Purchases over \$50,000

Description:	Chiller Replacement at Lamar
Requesting Campus/Department:	Operations
Description of items/services:	For the purchase and installation of a new chiller at Lamar
Purpose:	The current chiller at Lamar broke down in September. That unit serves approximately 50% of the overall campus (the original part of the campus). The cost requested for approval represents the purchase, installation, control and balance and a 10-year extended warranty for the new chiller.
Interlocal agreement(s) anticipated to use:	OMNIA Purchasing Cooperative
Justification for sole source (if applicable):	Replacement of like equipment to integrate with existing piping and connectivity.
Vendor(s):	Trane
Maximum total cost:	\$430,104 maximum turn-key cost, including 10-year extended warranty
Process used to ensure best value:	OMNIA Purchasing Cooperative
Deadline for purchase:	11/2/2025
Funding source(s):	2025 Bond Funds
Other information:
