

CARES ACT II

This money was approved in November/ December. ISBE just released this information last week. We are getting \$1,533,749. This money can be spent from March 13 through September 30, 2023. Keep in mind I have to turn in a line by line item budget item by June 20th that has to be approved by ISBE. They don't just send us the money. We then turn in our expenses. We can modify this at anytime. They have passed this past week a 3rd CARES ACT which more school funding is included, we don't have any details at this time. Below is a list of some of the items that we could spend the money on.
