# Summer School Program Strengths

- Offers a variety of classes
  - Staff is composed of primarily District 90 teachers (75%)
  - Curriculum materials are aligned with or the same as what is utilized during the school year.
  - Consistency returning teacher and summer school administrative experience
- 

# Summer School Growth Opportunities

---

- Offer more enrichment (non-academic) classes at Roosevelt
- Review individual student needs for level of teacher aide support within small co-taught Extended School Year (ESY) Lab classes
