**Subject: Commercial Energy Contract 2023-2024**

**Description:** Commercial Energy is a small oil company out of Cut Bank and they provide natural gas to Browning Public Schools. It is time to renew the contract for their services. I have attached last years contract and will have the new contract the day of the meeting. Their price quotes are only good for about 48 hours so I do not have it to attach to this agenda item, yet.

This has always been a financial advantageous contract for Browning Public Schools and I would recommend renewing the contract.

**Financial Impact:** TBD

**Funding Source (Budget/grant, etc.):** Impact Aid
