

Browning Public Schools Activities Report October-November 2021

Lights on Afterschool event-

The Lights on Afterschool event was a great success. The Browning Public Schools made this event a success by working together to set up the event and the few that stayed and worked the event. There were approximately 1500 pumpkins ordered and most were given out at the event. Each and every car load of community members and students was given a pumpkin, snack bag, and got to experience the spooky drive through.

Senior Toy Drive-

The first meeting for the Senior Toy Drive happened on November 3rd where just the Senior Class Officers, Principal, counselor, Director of McKinny Vento, and Director of Student Activities was in attendance. The Seniors decided the following schedule for the month of December

Shopping Date: December 5, 2021, bus will leave @7:30am and the Seniors will shop all day

Wrapping Date- December 7-10, 2021 after school

Need a building to host the event: BHS, BES, or the Stickgame building.

Event: The event will take place on December 19, 2021

Seniors would like to decorate the area on December 17-18, 2021

Santa Pictures at the event and before for a fundraiser

The Senior class was not given an opportunity to raise any money in the past couple years due to Covid19 so their budget was very small and they are desperately looking for fundraising ideas. Random Acts of Kindness club will donate their budget to this event.

New Years Eve-

The New Years Eve event's first meeting was also on November 3rd, 2021. This year, I wanted to focus on the entire district and provide activities for not only High School and Middle School students, but provide an activity for K-12. The following was decided by all involved:

Day event planned for grades K-5th:

3:00pm- sledding out of town (weather pending)

6:00pm- dinner

7:00pm swimming/bowling/ gym- Rotation of three groups to split up numbers for Covid concerns

10:00pm parent pick up

Evening event planned for BMS 6-8th:

2 scenarios were talked about during the meeting. First was grouping High School and Middle School students together. Then we decided that we would keep High School, Middle School, and other grades separated as much as possible, to keep all safe from Covid and follow guidelines

BMS evening event-

6:00pm In-Town Activities include swimming, bowling alley (shoot pool, listen to music, play quarter games), and gym activities in a rotation. Gym activities include movies in the BMS cafeteria, basketball and volleyball in the gym (maybe tourney type games), etc...

BHS evening activities-

6:00pm- load buses and travel on this side of the mountains to Great Falls for the following activities- Flippin Family Fun, Bowling, Roller Skating, Laser Tag games.

Or- Go skiing in Choteau, from there, travel to Great Falls for a movie then home.

Or- Travel to the other side of the mountains with these options- Blacktail Mountain Skiing then travel to Kalispell for a movie or travel to Whitefish for The Wave

Or- Travel to Whitefish for a movie, the Wave, and go home

After the meeting, it was discussed to maybe keep grades separated for in town activities and stay at one site which will be the Browning Middle School

10:00-12:00pm-KW/Vina- students will have their activities first

12:30-2:30pm- BES

3:00-5:00pm- Napi
