

SH Handbook Changes Summary

Page 1 - Daily class schedule change

Page 2 - Subject/Course Changes

1. Course changes are discouraged after the time of final registration. Schedule changes must be made before the start of each quarter and a required schedule change form must be filled out.
2. Any changes will be made only upon the recommendation of the parents and teacher and after conferences with and approval of the counselors and principal. These changes will be allowed only until the end of the previous school year.
3. Changes made after the start of the quarter will be made only on the recommendation of the teachers with the consultation of parents, counselors, and principal.
