SAVE THE DATE!

Regional Equity Leadership

In partnership with the Center for Equity and Inclusion, Multnomah County school districts will be offering a longer sequence for board leaders who wish to take a deeper dive into the issues of racial equity and collaborate with colleagues across districts.

Focus: Foundational equity concepts, common language, how equity moves at a systems level, how to work collectively for educational equity, establishing collective regional goals, and how to live our district equity policies.

Sessions will be hosted by:

Multnomah Education Service District

11311 NE Ainsworth Circle

Portland OR 97220
