

BOARD OF SCHOOL TRUSTEES

KELLER INDEPENDENT SCHOOL DISTRICT

9B. Action Date: October 13, 2008

SUBJECT: APPROVAL OF CAMPUS PERFORMANCE OBJECTIVES

BOARD GOAL: All students will achieve educational excellence.

All systems in the Keller Independent School District will be effective, efficient, and accountable in support of the district's mission.

FISCAL NOTE: No Financial Impact

Background Information:

- Per Education Code 11.253 each campus is required to develop, review, and revise a campus improvement plan for the purpose of improving student performance for all students.
- Each campus improvement plan must set the Campus Performance Objectives based on the academic excellence indicator system and in alignment with district performance goals.
- The Board was provided a copy of the Campus Performance Objectives for preview.

Administrative Considerations:

- The Campus Strategic Improvement Plans are long range five year plans (2005-2010).
- Campus Performance Objectives are designed to assist in setting and monitoring one year goals and five year goals.
- The campus performance objectives include both short term and long range performance goals based on the data for each individual campus. All CPO's are set so that, when accomplished, all campuses will be Exemplary or Recognized.
- The Campus Performance Objectives were reviewed by each Campus Education Improvement Committee and the Executive Directors prior to Board Preview.
