

**BOARD OF EDUCATION
BEEVILLE INDEPENDENT SCHOOL DISTRICT**

Date: June 16, 2009

Subject: Campus Student Handbooks

Submitted By: Mr. Alvarado

INFORMATION

Information: The Beeville ISD campus handbooks have been revised. There are very few changes from last year. The use of cell phones, computers, or other electronic devices for “sexting” was added to K-12 handbooks. The board does not need to approve these handbooks, but they are available for review. To download and review these, go to <http://dci.beevilleisd.net/board.htm>. If you want a paper copy of these documents, please contact Al Alvarado.

Additional changes may be forthcoming from TASB, based on the recent legislative session. If changes do come about, they will be added to the handbooks before printing or an addendum to the handbook will be printed for students and parents.

ITEMS ADDRESSED:

Campus Handbooks

RECOMMENDED ACTION:

None needed

BUDGETARY INFORMATION:

None
