Background Information

In compliance with Policy 208, the school board shall review policies at least once every three years. Policy 807 Health & Safety policy is up for review. MSBA has a model policy that was revised in 2022.

After comparing both policies, Wendy German, Health & Safety Consultant and Alan Gaylor, Director Buildings & Grounds have recommended our current policy be replaced with the MSBA model policy. Both Wendy German and Alan Gaylor will be available for questions.

Model Policy 807 Health and Safety policy is presented for a first reading.

Our current policy and the MSBA model policy are enclosed for review.
