Background Information:

1. After review of some current policies, it has become apparent that policy changes need to be made to adjust current practices or bring policy in line with current practice.
2. TASB Legal services was asked what the implications are if the District were to not respond within the five-day window specified in GKDA local. The response received suggested that the policy clearly indicate the acceptance and acknowledgement of the receipt of the request and the administrator responsible for responding to the request. Those adjustments are noted in bold print.
3. Summaries of the proposed policy changes for each policy are on the following page.

Administrative Considerations:

1. Policy changes have been recommended from the following departments:
 - a. Finance-CFD
 - b. Human Resources-DJ
 - c. Curriculum and Instruction-EIC
 - d. Administration-GKDA, FNAA
2. All policies with the exception of EIC become effective immediately upon adoption.
