RE: Holmes Update (Option B)

DATE: September 26, 2017

A combined Board of Education and FAC meeting was held September 13, 2017 to publicly discuss options A and B. The Holmes community was invited to listen and comment on the new plans. The new plan is a two story, six classroom addition. The multi-purpose space and the media center will also be expanded. The new option will also include some classroom renovations and repurposing of space on the second floor.

Option A was approved by the Board in July 2016.

The Board will consider approving option B at the September 26, 2017 meeting.
