Re: March 31, 2021 FOIA Request

Dear Mr. Lefko:

River Forest School District 90 (the "District") received your records request under the Freedom of Information Act ("FOIA") on March 31, 2021. This letter serves as the District's extension of the deadline for responding to your FOIA request, which seeks the following:

Request: 1) *"RECORDS REQUESTED: This is a narrow request to River Forest, District 90 for the digital correspondence received by D90 pertaining to Scott Hall's alleged misuse of district resources, specifically A to Z email directory. Specifically, I'm requesting the incoming email to D90 that in any way called for an investigation into the alleged misuse of parent emails. You can reply digitally or I'm happy to stop by the district office to pick up a hard copy.*

Pursuant to FOIA Section 3(e)(v), the District is extending the time to respond by an additional five (5) business days to April 14, 2021. (See 5 ILCS 140/3(e)(v).) The extension will allow the District needed time for additional examination and evaluation of the responsive record to determine whether the record or any portion thereof is exempt from disclosure under FOIA Section 7 (s5 ILCS 140/7).

Sincerely,

Edward J. Condon, Ph.D.
Superintendent
