Harvey, IL.

Dear Harvey School Board/ Superintendent,

For the past twelve years I have had the opportunity to serve as an educator in this district. Along with those years came various enriching moments. I made a wealth of professional and personal acquaintances and friendships, served as a health teacher, speech and drama coach, active union representative and volunteered in various positions and committees as well as completed in-depth Master's degree studies in Reading, my second Master's degree. It is with great excitement that I look forward to taking my experiences into a rich and promising future. Effective immediately, I am submitting my resignation for the position of teacher in Harvey School District 152 and will not be returning for the 2018/2019 school year.

Thank you,
