(Action Item)

NSBSD Strategic Plan Summary:

N/A: Operational

NSBSD Policy Manual:

Board Bylaw 9240, Board Development: ... Board members, like teachers and administrators, need training to assist them in meeting those standards. As part of their job, Board members need to participate in professional development activities that help them understand their responsibilities, stay abreast of new developments in education, and learn new ways to cope effectively with the problems they confront.

Issue Summary:

The Board may appoint its members to attend the AASB Legislative / Leadership Fly-In held on February 8-10, 2025 in Juneau, AK. Administration recommends the Board appoint the legislative committee members Frieda Moore and Nancy Rock. This fly-in includes a Youth Advocacy Institute where students develop talking points regarding community needs and priorities prior to meeting with legislators.

The conference consists of two-days with AASB on February 8-9 on the legislative process and context, key legislative issues, bill review, like-size district forums. For students, this includes 'creating your message' with peer input and guest speakers to help prepare for public speaking and meeting with legislators.

The following two days, February 10-11 would normally include meeting with legislators, however, Kivgiq is currently scheduled on February 10-15, 2025.

Administration is recommending meeting with legislators and Northwest Arctic Borough School District on February 5-7 and returning Sunday.
