September 16, 2019

## District

We are growing as a District! We budgeted for an anticipated 1% growth and are currently right on target with 1.1% growth district-wide. Here are the breakdowns by school compared to last year:

	2018-19	2019-20	Change
<b>ACEQUIA</b>	312	317	+5
<b>HEYBURN</b>	579	496	-83
<b>PAUL</b>	513	542	+29
<b>RUPERT</b>	639	656	+17
<b>EAST</b>	472	502	+30
<b>WEST</b>	522	558	+36
<b>MINICO</b>	1045	1072	+26
<b>MtH Jr/Sr</b>	207	202	-5
<b>TOTAL</b>	<b>4297</b>	<b>4345</b>	<b>+48</b>

## Elementary

As you can see from above we have actually lost 23 students at the elementary level overall. Our growth happened more in our secondary schools, where we have authorized hiring additional teachers at East Minico Middle School, West Minico Middle School and Minico High School.

We also added a teacher at Rupert Elementary to address their larger second grade and had to add another section and a full-time aide in kindergarten to accommodate their large number of new students. Paul Elementary Principal Ellen Austin will get two additional aides to better serve her students. You will notice that class sizes are down at Heyburn Elementary for two reasons: 1) we changed the boundary between Heyburn Elementary and Paul Elementary, and 2) Principal Danelle Stutzman chose to have a classroom teacher fill the support position she held last year.

Here are the elementary breakdowns by grade level at each building:
