**BACKGROUND INFORMATION:** At the June 16, 2014 meeting of the Aledo ISD Board of Trustees, Administration was tasked to develop a targeted list of goals to be used for the Superintendent's evaluation. The proposed sets of goals were to be returned to Trustees for discussion and consideration. This item addresses that Board directive.

**ADMINISTRATIVE CONSIDERATION(S):** As Trustees will note, there are a total of seven targeted goals found in the strategic plan under Learning, Parents/Community, and Continuous Improvement.

The proposed goals are attached in a draft format and will be presented to Trustees in detail at the Board meeting. The presentation will generally center on administration's belief that the goals should focus on the new areas of concentration found in HB 5 and the new assessment measures.

In addition, there are goals specific to areas in which the administration believes are important for the upcoming school year.

**FISCAL NOTE:** There is no direct impact beyond the budgeted funds found in the proposed FY 2015 budget.

**ADMINISTRATIVE RECOMENDATION:** None. This item is a report only.
