GLENDALE COLONY SCHOOL

Greetings from Glendale,

As this school year comes to a close I must give credit to the students for their great academic progress. They are very conscientious, hard workers who take great pride in their work. The students averaged a holistic score of 5.0 on a 6 point scale rubric for the last writing assessment, with a growth of 28% for the year. Two students scored a perfect 6. They fared well on the KITE testlets and Aimsweb as well.

Mrs. Shea had her last visit on May 2nd. Her visits are always consistent and great fun. The GNP rangers also had their last visit on the 16th where the students did a hands-on nesting building activity to end their bird unit.

This will be my last board report, as you may know, I am retiring at the end of this school year. I would like to thank you all for your neverending support. I will leave with so many wonderful memories of the beautiful children I have had the pleasure to teach throughout my 28 years in the district. Once again, Thank you all and may God Bless You.

Your partner in education,

Cindy Show

BIG SKY COLONY SCHOOL

As school comes to a close, we have been busy this month finishing our testing. We completed the writing assessment, Aimsweb, MAST, and SBAC. Our students have really grown academically this year, and we are very proud of their effort.

The Glacier Park Rangers visited us. We had a lesson on birds and their habitats and the students went outside and created bird's nest. What a fun process!

We made clay pots and let them dry. We then had some creative paintings on them. We had our 8th grade graduation. It was well attended by family and friends including Rebecca Rappold and Nancy Light. We always miss our graduates, but are excited to welcome 4 new first graders this fall.

Everyone is looking forward to our end of the year picnic and summer break.

Respectfully submitted,
Mrs. Christoferson
Mrs. Gregoire
