Regular Meeting - Board of Education

Date: February 9, 2017

Agenda Item #9. D.

TOPIC: Innovation in High School Art

BACKGROUND: In conjunction with our curriculum review we were asked to talk about our use and innovation with technology that we use across all of our course offerings in our department.

PURPOSE OF PRESENTATION: The purpose of this presentation is to provide the Board and community with an overview of what the art department is currently doing to use technology and how changes in our department have impacted and improved our curriculum and instruction.

LEARNING OBJECTIVE: As a result of this presentation, the Board will have an understanding of what we have done to change and improve our curriculum based on changing technology and needs of our students in our school.

ACTION RECOMMENDED: Discussion
