- **October 22 Doge ball tourney and Bonfire**
- **October 24 Homecoming Game 7:00**
- **October 25— Homecoming Dance 8:00 p.m. —12:00**

Dear Mustang Families:

The bustle and high energy of the opening of school is settling into our new daily routine. Our kids are very well behaved and they are making the effort to arrive on time, prepared for class. Our teachers are learning how to adapt their curriculum to the trimester schedule. Our fall sports teams are having early season success. It is cooling off in our rooms. Hidden Valley is an awesome place to educate our kids. Thank you for helping us to get going strongly.

October is a full month at school. On October 15, all sophomores and juniors have the opportunity to take the PSAT. This national test enables students to measure their academic skills against other student in the United States. Please look for the announcement from our district office.

Later in the month our Homecoming Week of events at school reminds our kids of the 30 year family of Mustangs they belong to. Please support your kids in their classes and the activities they select.

The class time in a trimester schedule requires that our students stay current in their reading, homework and projects. Your interest and attention to their daily work helps them to be responsible to complete tasks.

The first progress report at the end of six weeks will be given out on October 9th. Please plan to attend parent conferences on October 16. Teachers will be available in their rooms from 12:00 noon until 4:00 p.m. Evening conferences will be in the commons from 5:00—8:00 with all teachers present.

If you are a parent of a junior or senior it is time to attend to scholarship and college applications. Our counselors, ASPIRE volunteers and other interested adults are willing to work with those who need help.

It is my continuing honor to be principal at Hidden Valley. I greatly appreciate the support and interest that our school gets in our community.

Sincerely,

Dennis Misner

Greetings from the Tran- sition Center!

The transition center is where students with disabilities learn to work and take care of themselves. We also recycle to support our program. Last year, we recycled 60,000 pounds of paper and cardboard which allowed us to take field trips, have shopping experiences, and do other community activities. The recycling also pays for our cooking program.

In our recycling program, we take all forms of paper (except paper towels and used tissues), cardboard, magazines, plastic water bottles, pop cans, ink jet cartridges, and cell phones. Our goal is to teach the school population to make better use of their resources as well provide a training program for this portion of the student body.

Thank you

Art Department News

- Art council goes on a field trip to **Bandon** to plan year activities and take digital photos!
- ***Art along the Rogue!*** The first weekend of October is the chalk art festival, come check out our students and all the amazing chalk art / music.
- Look for our upcoming ***art of poetry night***. Last year was our first and it was awesome! We are excited about this year and hope to see you there!
- Watch for our Fish Project in October!
- **TRAVEL**- Visit London, Ireland, Scotland, and Wales! Talk with Mrs. Bickle by September 30. Any HV student (14 yrs on up) and adults are welcome.

Yearbook News

- Yearbooks are now on sale for \$50. The price goes up to \$55 the beginning of October So order them now!!

SENIOR CHECK LIST

- Baby pictures and senior quotes are due on **October 8**. A \$5 fee is required to put them in.
- Senior pictures are going to be due **NOVEMBER 19**. We need **two**: one for the yearbook and one for the class picture board. Please turn them in.

College Dreams and the Guiding Lights Mentoring Program

The College Dreams and the Guiding Lights Mentoring Program would like to thank the following students at Hidden Valley for their hard work and determination during the past year.

Kimmy Knabenbauer

Josh Gibson

Felisha Dutton

Donald Howell

Last year, Guiding Lights awarded over \$1800 in incentive money to students who showed academic improvement including increasing their GPA's, decreasing their absences, and improving behavior. We are very proud of all of the students we work with and look forward to sharing their future successes!

SENIOR PARENTS NOTE: Senior Pictures are due for yearbook by November

To All Parents Project Graduation Needs Your Help!!!

Each year, it is the responsibility of Senior parents to sponsor, plan and raise funds for the all night alcohol and drug-free Graduation Party. This much anticipated event is available to EVERY graduate at no cost.

Each class respectfully requests all parents to donate \$40.00 toward this party. If all parents made this donation, nearly half of the fundraising would be complete! Many families choose to donate \$10 per year to spread out the financial commitment.

However you choose to do it, please submit your contribution to YOUR teen's graduation party. The money can be turned in to HV's bookkeeper and you'll get a receipt (tax deductible!) Please be sure to note on checks that the money is for "Project Graduation" **AND** the year your student graduates, so it gets credited to the proper account.

Each class also has a group of parents already working on the graduation party and could use your help. If you'd like to help with this endeavor for your teen's class, the office can put you in touch with the appropriate person.

Family & Consumer Department

The Beginning Foods & Culinary Arts classes are off to a great start. The students have all studied "Safety & Sanitation and Basic Cooking Principles". They are learning about measurement and the importance of measuring accurately. If not....OOPS the cookies are **NOT EDIBLE**!!! Skills USA's fall conference is the end of October. This conference helps students learn how to be a leader and prepare them with basic information for the vocational skills state competition in April 2009. Many of your students are asking about the spring Culinary Competitions. Their enthusiasm is contagious. I am so glad they are really excited to participate in these optional events. Student must maintain a 2.5 GPA and be passing four of their classes in order to participate in these events. So, study hard and hand in all those assignments. I do not want you to miss out!

Ask a Culinary Arts student about the red and green Jalapeño jelly we made in class. It is yummy eaten with cream cheese and crackers. "Holy Jalapeño! Huston. I believe it is delicious!"

In October, the students will be able to participate in a Halloween Brag Off. They can bake a food item of their choice and display them during lunch on October 31st. Be creative, have fun and remember No Store bought projects. Students must use a recipe and prepare the projects themselves. Please check out our activities and projects from 2007-2008 at <http://hvhschefs.blogspot.com/>. I think you'll enjoy seeing what we accomplished.

Our Child Development classes are learning about the many pathways that focus on Children and Child Care as a viable profession. They have been collecting the information they need to prepare a useable professional resume. This next week we are beginning the "Baby Think It Over" project. Believe me, it is a great learning experience. Thanks for allowing you student to participate in this classroom project. Each student will have the honor of taking care of this little one for two days. The Family, Careers, & Community Leaders of America's (FCCLA) leadership conference will be held in October. We will be traveling to Salem for this conference.

CLASS OF
2010

Junior Class Parent Information

- Parent Meeting: October 13 at 6:00 pm in the Commons
- "2010" T-Shirts are \$12.00. You can purchase them through the Book-keeping Office.
- If you are interested in helping out with Junior Class projects please contact:

Rebecca Orton @ 761-5994

PARENTS

Please make sure your student is up- to- date on all of their immunizations. You can bring this information to us at the beginning of the school year. Oregon law (ORS 433.267) requires every child in a school facility to have up- to- date immunizations unless he/ she has a medical or religious exemption. All schools must keep an up-to-date Certificate of Immunization Status (CIS) form on file for each child.

Parents are required to let the school know, in writing, when their child receives an immunization. Thank you for keeping us informed.

Senior Class

Parent Information

Class of.....
2009

We have several upcoming fundraising events. On Nov.

22, we will be sponsoring the HV Christmas Bazaar and Craft Fair. If you'd like a booth or can help with this event, please contact:

Sue Yetter @ 479-5259

We will be meeting monthly this year on the second Monday. We would love to have more Senior parents come join us. If you would like to keep updated on our activities and meeting reminders (even if you can't make it to the meetings), we'd like to invite you to join our Sr. parent e-mail list. You can do this by sending an e-mail to the address below with the subject line "09 parent list"

Jill Smith .. 472-9771..

jillmcalvage@msn.com

Hope to see you Monday October 13 at 6 pm in the Commons.
