School Board Meeting Agenda Item

Topic: Educational Planning Update
Contact(s):
Presenter(s): Karsten Anderson, Superintendent

Nature of Action Requested

Board Action
Board Information or Report X

Background Information

The school district received a \$50,000 commitment from a local foundation to conduct educational planning. Four firms submitted proposals responsive to the Request for Proposals, which is attached. Three firms were invited to give presentations; the fourth firm submitted a proposal higher than the maximum amount allocated for the work.

Each firm provided an effective presentation. Because concerns were expressed about the timing of the planning, Superintendent Anderson reached out to the local foundation to see if conducting the planning next fall or winter would meet their expectations. Feedback from board members about timing would be greatly appreciated.

Recommendation

No action is needed.
