9700.01 - ADVERTISING AND COMMERCIAL ACTIVITIES

The purpose of this policy is to provide guidelines for the appropriate and inappropriate use of advertising or promoting of commercial products or services to students and parents in the schools.

"Advertising" comes in many different categories and forums and is defined as an oral, written, or graphic statement made by the producer, manufacturer, or seller of products, equipment, or services which calls for the public's attention to arouse a desire to buy, use, or patronize the product, equipment, or services. This includes the visible promotion of product logos for other than identification purposes. Brand names, trademarks, logos, or tags for product or service identification purposes are not considered advertising.

~~[] Option #1~~
