Students identified for gifted services in Language Arts will be served through appropriate sequential G/T courses listed if the prerequisite has been met. Usually, scheduled services in grade 10 include English II PreAP/G/T; in grade 11, AP English III G/T; and in grade 12, AP English IV G/T. Students in sophomore and junior G/T English are recommended for enrollment in the appropriate G/T history course for that grade level. All PreAP, AP, dual credit English III & IV and G/T designated courses receive weighted grade points. The focus of an AP course is the preparation of students for the AP exam for college credit.
