APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: January 21, 2026

RECOMMENDATION:

It is recommended the Board of Trustees approve the replacement of the Daktronics Scoreboard located at the Student Activity Center and the related lease agreement.

RATIONALE:

The current Daktronics scoreboard is over 15 years and has been failing at different times to operate. United ISD administration is recommending to replace the current scoreboard using the terms allowed in the Daktronics contract through the OMNIA PARTNERS COOPERATIVE. UISD is a current member of this cooperative. The lease agreement offered by Daktronics is through the financing institution Huntington Bank offering a 5-year term lease, 0% interest, that allows UISD to purchase the scoreboard at the end of the 5-year term for \$1. The annual payments will be \$170,000 paid for with District funds including collections from the scoreboard sponsorships and advertisements.
