Re: Boiler Replacements - Sinking Fund

Based upon the District's 10-year facilities and sinking fund plan, I am recommending boiler replacement projects at Franklin High School, Emerson Middle School, Riley Upper Elementary, Roosevelt Elementary, and Coolidge Elementary. I am requesting this 2020 boiler replacement project be placed on the agenda for the Monday, March 16, 2020 Committee of the Whole meeting. This is a follow up from the Study Session of March 2, 2020.

The bids for these sinking fund projects were opened on March 5, 2020. The low responsible bidder for Franklin, Riley, Roosevelt, and Coolidge was SysTemp Corporation in the amount of \$1,510,000.00. The low responsible bidder for Emerson was Detroit Boiler in the amount of \$245,461.85. The total dollar amount for the 2020 boiler replacement project is \$1,895,900.00, which includes an 8% contingency.

Feel free to contact me if you have any questions.
