CISD Created Educator Evaluation Instrument

DNA Legal allows school districts to develop their own educator evaluation instrument. Throughout the 2013-2014 school year, a committee of CISD educators and administrators worked together to craft an Educator Evaluation Instrument aligned with the CISD Learning Framework, the new CISD Classroom Walk-Through Document, and the CISD Learning Design Rubric.

- Present the CISD created Educator Evaluation Instrument
- Review alignment with legal guidelines
- Review alignment with CISD Learning Framework
- Review alignment with CISD Classroom Walk-Through Document
- Review alignment with CISD Learning Design Rubric
- Present proposal for revision of DNA Local to align with CISD Educator Evaluation Instrument Administrative Guidelines
