The Gratiot County Opioid Advisory Steering Committee has completed the process of reviewing proposals for funding for the first round of Opioid Settlement Dollars distribution in Gratiot County. The proposals being considered align with the Gratiot County's Opioid Strategy and are allowable activities as outlined in the National Opioid Settlement Exhibit E. The awards will cover a period of 16 months and the total amount is within the expected allocation available for 18 years.

Recommendation

The Gratiot County Opioid Advisory Steering Committee recommends that the Opioid Settlement Dollars be awarded to the following recipients for the period August 1, 2025, through December 31st 2026. The proposals meet the Gratiot County's Opioid Strategy and align with allowable uses as outlined in the National Opioid Settlement - Exhibit E document.
