Employment

Employment Equal Employment Opportunity Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Westhoff ISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities. In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are distributed on a regular basis and posted on the district's Web site.

Employment After Retirement

Policy DC

Employment After Retirement Policy DC Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication Employment After Retirement. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Web Site (www.trs.texas.gov).

Contract and Noncontract Employment Policy DC

Series State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed atwill or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary contracts.

Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after at least a two-year lapse in district employment also may be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts.

Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified professional and administrative employees.

Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

Paraprofessional and auxiliary employees.

All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses Policies DBA, DF

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resource's office in a timely manner. Employees licensed by the 14 Texas Department of Licensing and Regulations (TDLR) must notify Human Resources when there is action against, or revocation of, their license. A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Superintendents office if you have any questions regarding certification or licensure requirements.

District of Innovation Plan House Bill 1842, passed during the 84th Legislative Session, allows Texas public schools with sufficient academic ratings to obtain exemptions from certain provisions of the Texas Education Code. The allowable exemptions are for those sections of code that do not apply to charter or private schools in an attempt to reduce the extra administrative or operational burdens placed on public schools. To obtain exemptions, the District must create a Local Innovation Plan detailing the code requirements that inhibit the goals of the District and the benefits to the District expected from the exemption. DOI may be reviewed at: <https://www.westhoffisd.org>

Recertification of Employment Authorization Policy DC

At the time of hire, all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the superintendent's office if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

Searches and Alcohol and Drug Testing Policy DHE

No investigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search

will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, work areas, including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License:

Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements when their duties include driving.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted if reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who is otherwise subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), STOP the BLEED training, the use of an automated external defibrillator (AED), and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the District Nurse and the Superintendent's office within 10 days of receipt.

Policy DMA (LEGAL)

School nurses and all employees with regular contact with students must complete a Texas Education Agency approved, online trainings as well as seizure disorder awareness, recognition, and related first aid.

Reassignments

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional employees.

Professional and administrative employees are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including required days of service and scheduled holidays will be distributed each school year.

Campus hours of operation will be from 7:30 a.m. to 4:00 p.m. Faculty and staff are expected to be on their assigned campus during these hours. All staff are expected to sign in each day with front office. All staff are expected to sign out when they leave their assigned campus and sign back in when they return.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and auxiliary employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than

a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact Superintendent's office

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact Superintendent's office to begin the interactive process.

Notification of Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned, or taught for four or more consecutive weeks by, a teacher who Does not meet applicable state certification or licensure requirements. Texas law also requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals serving with an emergency permit (including individuals waiting to take the EXCET exam) or individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Superintendent's office.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policies DN series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and get the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development. Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional and administrative employees are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each overtime hour worked beyond 40 in a workweek. (See Overtime Compensation.) All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform

extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule. Employees should contact the payroll department for more information about the district's pay schedules or their own pay.

Paychecks All professional, salaried, and hourly employees are paid monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into a designated account. A notification period of 30 days is necessary to activate this service. With automatic deposit, an employee's pay is immediately available on the pay date. Contact the payroll department for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions: • Teacher Retirement System of Texas (TRS) or Social Security employee contributions • Federal income tax • Medicare tax (applicable only to employees hired after March 31, 1986) • Child Support and spousal maintenance, if applicable • Delinquent federal education loan payments, if applicable Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations. Salary deductions are automatically made for unauthorized or unpaid leave.

Overtime Compensation

Policy DEA

The Superintendent or designee shall determine the classification of positions or employees as "exempt" or "nonexempt" for purposes of payment of overtime in compliance with the Fair Labor Standards Act (FLSA).

The District shall pay employees who are exempt from the overtime pay requirements of the FLSA on a salary basis. The salaries of these employees are intended to cover all hours worked, and the District shall not make deductions that are prohibited under the FLSA.

An employee who believes deductions have been made from his or her salary in violation of this policy should bring the matter to the District's attention, through the District's complaint policy. [See DGBA] If improper deductions are confirmed, the District will reimburse the employee and take steps to ensure future compliance with the FLSA.

The Superintendent or designee may assign noncontractual supplemental duties to personnel exempt under the FLSA, as needed. [See DK(LOCAL)] The employee shall be compensated for these assignments according to the District's compensation plans.

Nonexempt employees may be compensated on an hourly basis or on a salary basis. Employees who are paid on an hourly basis shall be compensated for all hours worked. Employees who are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless the employee works more than 40 hours.

A nonexempt employee shall have the approval of his or her supervisor before working overtime. An employee who works overtime without prior approval is subject to disciplinary action up to and including termination.

At the District's option, nonexempt employees may receive compensatory time off, rather than overtime pay, for overtime work. The employee shall be informed in advance if overtime hours will accrue compensatory time rather than pay. Compensatory time earned by nonexempt employees may not accrue beyond a maximum of 60 hours. If an employee has a balance of more than 60 hours of overtime, the employee will be required to use compensatory time or, at the District's option, will receive overtime pay.

Travel Expense Reimbursement Policy DEE

Before any travel expenses are incurred by an employee, the Superintendent must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage within 28 days of the expense.

Health, Dental, and Life Insurance Policy CRD

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for

10 or more regularly scheduled hours per week. The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience a qualifying event (e.g. marriage, divorce, birth).

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the employee's district coordinator. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See Workers' compensation benefits for information on use of paid leave for such absences.

*All injuries on district property MUST be reported and an injury report will be completed.

Unemployment Compensation

Insurance Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the payroll department.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service 23 retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify TRS as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call

800-223-8778 or 512 542-6400. TRS information is also available on the Web (www.trs.texas.gov). See information on restrictions of employment of retirees in Texas public schools.

Leaves and Absences

Policy DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than three to five days should call and notify your administrator/ supervisor and/ or call the superintendent's office at 830 236-5199 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Use of Leave.

Leave is available for the employee's use at the beginning of the school year. However, state personal and local leave is earned at a rate of ½ day for every 18 days of employment. If an employee leaves the district before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee's final paycheck.

Paid leave must be used in half-day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local leave.
- State sick leave accumulated before the 1995–96 school year.
- State personal leave.

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 3 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Immediate Family.

For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse

- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
 - Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee
 - Sibling, stepsibling, and sibling-in-law
 - Grandparent and grandchild
 - Any person residing in the employee's household at the time of illness or death
- For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in **Policy DECA (LEGAL)**.

Medical Certification. Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or medical certification. Any employee who is absent more than 3 (three) to 5 (five) days consecutively because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three to five consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes. In each case, medical certification shall be made by a health-care provider as defined by the **FMLA. [See DECA(LEGAL)]**

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought

or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services

Continuation of Health Insurance.

Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLAct will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of earned personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time.

State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her district coordinator 3 days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the district coordinator.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final

paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick

Leave State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

All employees shall earn **five** workdays of paid local leave per school year in accordance with administrative regulations. Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state personal leave.

Temporary Leave

If an employee needs to temporarily leave their assigned job responsibilities, the employee will not be docked if the following is met:

1. The absence must be approved by the immediate supervisor; and the absence must be for a doctor's appointment, a quick errand, or where a local office is closed outside regular school hours.
2. This type of occurrence is not habitual or found to be on a regular basis Westhoff is a community of educators who support one another. From time to time, emergency situations arise which may briefly take an employee away from their teaching assignment. Employees may request emergency coverage for their classroom in half hour increments, up to four full hours, without registering the leave in the absence management system. On-site coverage is considered required regardless of whether an employee has students in their charge during the period of absence from their work assignment. Once an employee accumulates four hours of emergency leave, all future occurrences will require the employee to record their time off in the absence management system.

Temporary Disability Leave

Certified employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. A full-time educator may request to be placed on temporary disability leave or be placed on leave. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. The leave request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 days. If disability leave is not approved, the employee must return to work or be subject to termination procedures.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the superintendent's office should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Professional employees returning from leave will be reinstated to the school to which they were previously assigned as soon as an appropriate position is available. If a position is not available before the end of the school year, professional employees will be reinstated at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use available, partial-day increments of sick leave or any other paid leave benefits to make up the difference between wage benefits and pre-injury or -illness wages. While an employee is receiving workers' compensation wage benefits, the district will charge available leave proportionately so that the employee receives an amount equal to the employee's regular salary.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job.

An incident involving an assault is a work-related injury and should be immediately reported to their immediate supervisor.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the 32 district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Jury Duty

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury the district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or schedule attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides.

An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave. An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or of documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be granted paid leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty order by proper authority. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact the superintendent's office and the payroll clerk. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the District Administrative Assistant for details on eligibility, requirements, and limitations.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

Our district believes that an employee's personal appearance has a direct correlation with an atmosphere of professionalism and efficiency. Westhoff ISD employees are expected to come to work neatly dressed and well groomed. Employees should dress so that impressions of them and our district are favorable. Visitors to any campus will easily distinguish the teachers from the students. Employees should maintain modest and businesslike appearance at all times. The district superintendent will determine the appropriateness of employee dress and grooming for specific employee classifications/duties.

- Flip-flops and house shoes may not be worn unless for a designated day. Sandals with a secure back may be worn, without a back is a hazard. * (unless a doctor's excuse is filed)
- Tights, leggings, and jeggings may only be worn as under clothes.

Harassment of Students

Policies DF, DH, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the district coordinator or other appropriate district official. All allegations of prohibited harassment or abuse of a student will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See Reporting suspected child abuse for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

Solicitation of a Romantic Relationship

"Solicitation of a romantic relationship" means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator's job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:

- a. The nature of the communications;
- b. The timing of the communications;
- c. The extent of the communications;
- d. Whether the communications were made openly or secretly;
- e. The extent that the educator attempts to conceal the communications;
- f. If the educator claims to be counseling a student, SBEC may consider whether the educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and
- g. Any other evidence tending to show the context of the communications between educator and student.

2. Making inappropriate comments about a student's body, creating or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images.

3. Making sexually demeaning comments to a student.

4. Making comments about a student's potential sexual performance.

5. Requesting details of a student's sexual history.

6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the educator.

7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party.

8. Inappropriate hugging, kissing, or excessive touching.

9. Providing the student with drugs or alcohol.

10. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage.

11. Any other acts tending to show that the educator solicited a romantic relationship with the student.

Reporting Suspected Child Abuse Policies DF, DG, DH, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §26.001, to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child or person with a disability.

Reports can be made to Child Protective Services or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the district coordinator. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the district coordinator before making a report to the appropriate agency.

Reporting the concern to the district coordinator does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed www.westhoffisd.org. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in Reporting Suspected Child Abuse.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Technology Resources

Policy CQ

The district's technology resources, including its network access to the Internet, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's computer or network resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees who are authorized to use the system are required to abide by the provisions of the acceptable use policy and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary action and/or legal action. Employees with questions about computer use

and data management can contact the Technology Director. See page 68 for Technology Agreement

Personal Use of Electronic Communications

Policy CQ, DH

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content. An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:

✓ Confidentiality of student records. [See Policy FL

- ✓ Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH (EXHIBIT)]
- ✓ Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]
- ✓ Copyright law [See Policy EFE]

A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a communication; however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a communication.

- **Certified or licensed employee** means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, district coordinators, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

The Westhoff ISD (WISD) network is defined as WISD's wired and wireless network infrastructure, servers, computer workstations, mobile technologies, peripherals, applications, databases, online resources, Internet access, email and all other interconnected technologies as they currently exist or become available. This includes any access to the WISD network by WISD-owned or personal devices while on or near school property, in school vehicles and at school-sponsored activities, and includes the use of WISD technology resources via off-campus remote access.

Availability of Access

Access to WISD's network is a privilege, not a right. Access shall be made available to staff, students and members of the public primarily for instructional and administrative purposes and in accordance with administrative regulations, WISD policy and law.

Monitoring, Restricting and Filtering Use of the network shall not be considered confidential and may be monitored or restricted at any time by designated staff to ensure appropriate use for instructional or administrative purposes. WISD uses filtering devices and software that block access to visual depictions that are obscene, pornographic, inappropriate for students, or harmful to minors as defined by the federal Children's Internet Protection Act and as determined by the Superintendent. WISD reserves the right to decrypt internet traffic as necessary to create a safe and secure environment for students.

Appropriate Use

- You are responsible for the use and protection of any network account assigned to you, including regular password changes in accordance with WISD password requirements and keeping your password private.
- Your account is to be used primarily for educational purposes, but some limited personal use is permitted as long as it does not unduly burden WISD technology resources or interfere with your educational responsibilities.
- You will be held responsible at all times for the proper use of WISD technology resources, and WISD may suspend or revoke your access if you violate the rules.
- As applicable, you must comply with WISD's record management program, the Texas Open Meetings Act, the Public Information Act, the Family Educational Rights and Privacy Act(FERPA), including retention and confidentiality of student and WISD records, and campaign laws.
- As applicable, you must maintain the confidentiality of health or personnel information concerning WISD employees and colleagues, unless disclosure serves lawful professional purposes or is required by law.
- Remember that people who receive email from you with a school address might think your message represents the school's point

Inappropriate Use

- Using technology resources for any illegal purpose or in violation of WISD policy.
- Damaging technology resources in any way including:
 - o Maliciously harming or destroying WISD equipment, materials or data
 - o Negligence of reasonable care for WISD equipment, materials or data
- Negligence of reasonable security protections on personal devices. For example, not applying security updates and not running anti-virus software on personal computers connected to the WISD network.
- Attempting to circumvent internet content filtering or disabling the filter is prohibited per federal law (Children's Internet Protection Act).
- Accessing sites not authorized under WISD's filtering policies.
- Creation of or login by student accounts to any online service not officially approved by WISD.
- Encrypting communications to avoid security review.
- Using any account or login credentials other than your own or sharing your account or login credentials with anyone else. You are responsible for anything that happens on your account.
- Pretending to be someone else when posting, transmitting, or receiving messages.
- Attempting to read, delete, copy, modify, or interfere with another user's work.
- Using resources to engage in conduct that harasses or bullies others.
- Posting, transmitting, or accessing materials that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation or illegal.
- Using inappropriate language such as swear words, vulgarity, ethnic or racial slurs and any other inflammatory language.
- Posting or transmitting pictures of students without obtaining prior permission from all individuals depicted or from guardians of depicted students who are under the age of 18.
- Violating others' intellectual property rights, including uploading, downloading or using copyrighted information without permission from the copyright holder.
- Use of unlicensed software, or altering WISD installed software.
- Unauthorized scanning, probing or access of the WISD network. Any attempt to damage or degrade network services. Uploading or creating computer viruses.
- Wasting resources through improper use of WISD's network, including creating and distributing chain letters, sending spam, setting up equipment so that it can act as an "open relay" for third- party spammers, or providing products or services for pay, i.e., outside employment.
- Sending unauthorized broadcasts to official or private distribution lists, regardless of content or recipients.
- Gaining unauthorized access to restricted information or resources.
- If you are a student:

- Posting or transmitting personal information about yourself or others, such as addresses and phone numbers
- Responding to requests for personally identifying information or contact from unknown individuals
- Arranging to physically meet people first met online in non-school related contexts. If a request for such a meeting is received, it should be reported to a teacher or administrator immediately.

Conduct

Students are responsible for appropriate behavior online just as they are in a school building. Communication with others should always be course-related. Students should notify the teacher of anything inappropriate or that makes them uncomfortable. Bullying will not be tolerated. The privacy of others should be respected at all times.

Special Note: Cyberbullying

Cyberbullying is defined as the use of any Internet-connected device for the purpose of bullying, harassing, or intimidating another student. This includes, but may not be limited to: sending abusive text messages to cell phones, computers or Internet-connected game consoles; posting abusive comments on someone's blog or social networking site (e.g., Twitter or Facebook); creating a social networking site or web page that masquerades as the victim's personal site and using it to embarrass him or her; making it appear that the victim is posting malicious comments about friends to isolate him or her from friends; posting the victim's personally identifiable information on a site; sending abusive comments while playing interactive games; recording and distributing media with the intent to manipulate or embarrass others. (See Policy FFH and FFI).

Internet Safety

WISD makes every effort to ensure student safety and security when using the WISD network including a) preventing unauthorized access, hacking and other unlawful activities, b) restricting unauthorized disclosure, use, and dissemination of personally identifiable information regarding students, and c) educating staff and students about cyber bullying awareness and response, as well as appropriate online behavior.

COPPA (Children's Online Privacy Protection Act)

Under the provisions of COPPA all commercial websites must get prior consent before children under the age of 13 are permitted to share any personal information about themselves or are permitted to use any interactive communication technologies where they would be able to share personal information with others. This includes chat rooms,

email, instant messaging, personal profiles, personal websites, registration forms, and mailing lists. WISD uses a Digital Resource Approval Process to verify COPPA compliance before use of online services by students under 13. Both students in this age group and their teachers will be educated as to the provisions of the law and the Acceptable Use Guidelines. Students under the age of 13 may not visit any websites that collect personal information unless it is for curricular reasons and is under the direction or supervision of a staff member of WISD.

Consequences for inappropriate use

Noncompliance with applicable regulations will result in a) suspension of access to WISD technology resources; b) revocation of account; c) disciplinary action consistent with WISD policies and regulations. (See WISD Student Code of Conduct, Policy BBI, CQ and DH,, Employee Standards of Conduct Code of Ethics and Standard Practice for Texas Educators). Violations of law may result in criminal prosecutions as well as disciplinary action by WISD. Violating any of these rules can result in a disciplinary action. The nature of the violation will determine the appropriate disciplinary action on a case-by-case basis. Disciplinary actions may vary depending on the circumstances and are listed here as a guideline.

Disclaimer

WISD's network is provided on an "as is, as available" basis. WISD does not make any warranties, whether expressed or implied, with respect to any services provided by the network and any information or software contained therein. WISD does not warrant that the functions or services performed by, or that the information or software contained on the network will meet the network user's requirements, or that the network will be uninterrupted or error-free, or that defects will be corrected. Opinions, advice, services, and all other information expressed by network users, information providers, service providers, or other third party individuals in the network are those of the providers and not WISD. WISD will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of WISD's network.

Disclaimer of Liability

WISD shall not be liable for the users' inappropriate use of WISD's network or violations of copyright restrictions, users' mistakes or negligence, or costs incurred by users whether using WISD-owned or personal devices. WISD shall not be liable for any physical damage, loss or theft of personally owned devices. WISD shall not be responsible for ensuring the accuracy or usability of any information found on the Internet. Oversight of the posting of official WISD, campus, or division/department materials on WISD's network will be the

responsibility of the superintendent, district coordinator, or division/department supervisor or designee. WISD's network will be used only for administrative and instructional purposes consistent with WISD's mission and goals.

Personally Owned Device Internet Usage

WISD offers wireless internet access for personally owned devices in our libraries, cafeterias, gyms and office areas. The WISD guest wireless network operates alongside the primary WISD wireless network used for WISD-owned devices, and allows community members, organizations, and others to gain access to the Internet with any personally owned Wi-Fi devices. This Internet access will be provided with the most protective level of Internet filtering currently deployed for WISD student access. The WISD guest wireless network does not allow access to any WISD resources that are not available from the Internet.

Upon logging in using a personally owned device, staff, students and members of the public will receive Internet filtering appropriate for their credentials. Configuring personal devices to connect to the WISD wireless network is the sole responsibility of the user. WISD does not provide technical support and assistance for personally owned devices.

Because the primary purpose of the WISD network is to provide connectivity for WISD-owned devices, WISD reserves the right to restrict access, bandwidth and content as it deems necessary on the guest wireless network.

Personally Owned Device User Agreement

Each time a personally owned electronic device is used on WISD property or at a WISD sponsored event, the user agrees to the terms listed below:

- WISD reserves the right to inspect, at any time, any personally owned device, and the network communications going to and from it, while connected to the WISD-Wifi and WISD-Guest networks. Such monitoring may be conducted remotely, and without prior notification to the device owner. Any other inspection of any personally owned device is subject to the requirements set forth in the Student Code of Conduct.
- Personally owned devices will only be connected to the network via the WISD guest or WISD wireless access connection. Any attempt to make an unauthorized connection to another WISD wireless network, plug a personally owned device into the WISD physical network (Ethernet), or circumvent any WISD Internet filtering may result in a loss of those individuals' privileges to bring a personally owned device to

WISD facilities, as well as other potential disciplinary actions.

- WISD will not be obligated to supply electrical power access.
- Use of personally owned devices on WISD property or at WISD sponsored events

is

governed by WISD/campus administration.

- Student use of personally owned devices in the classroom setting will be at the discretion of the campus administration and the classroom teacher.
 - Persons connecting computers to the WISD guest or WISD wireless Networks agree to maintain current security updates and anti-malware software on their computers.
 - Persons accessing WISD email or any confidential WISD information using a personally owned device agree to prevent unauthorized access to the device by securing it with a password and complying with all WISD required system security procedures as well as applicable Family Educational Rights and Privacy Act (FERPA) and Health Insurance Portability and Accountability Act (HIPAA) of 1996 (P.L.104-191) [HIPAA] standards.
 - If a computer or portable electronic device, such as a cell phone, is lost, stolen,
- or
- disposed of without properly deleting all WISD email or other confidential information, the user must contact the WISD Information Technology Help Desk immediately.
- Employees connecting to the WISD-Wifi network with any personally owned devices agree to adhere to all of the provisions of the Personal Use of Electronic Media (Policy DH).*The guardians of any student bringing personal technology to school agree to be responsible for and to reimburse WISD for any damage that their student may cause arising out of and relating to the use of the wireless network with his/her personally owned device.
