

Minidoka County School District
Certification Renewal Incentive
December 17, 2018

Each year we have a few teachers who neglected to get their certification renewal in to the State in a timely manner. Last year after discussing this issue the Board agreed to reimburse teachers who submitted their certification renewal to the State before the end of the school year so that we received it before the start of this year.

We did reimburse 12 staff last year.

I am recommending that the Board once again authorize the reimbursement of certified staff the cost of renewing their certification if they share documentation that the renewal was submitted to the State before May 1, 2019.

Respectfully Submitted,

Kenneth Cox, Ph.D.
Superintendent
