BOARD OF TRUSTEES

Meeting Date: September 13, 2010

Presented by: Mr. Horace Williams, Superintendent of Schools

Subject: School FIRST Ratings Notification

Information Item

BOARD GOAL:

Align the budget process to achieve district goals.

This is a legal requirement that will allow the district to not have an audit violation and remain in compliance with TEA regulations

BACKGROUND INFORMATION:

School districts are required to distribute the financial management report to parents and taxpayers. The board of trustees is required to hold a public hearing on the report at a district facility within two months of receiving the final financial accountability rating (including a final rate of Suspended-Data Quality). The district again has a superior rating with a perfect score(80 out of 80).
