Clarification on the Resolution Establishing Combined Polling Places

The resolution establishing combined polling places for the 2026 elections, which was approved during the January 6, 2025 Organizational Meeting, contained an error. However, because the resolution was passed prior to the statutory deadline of December 31, 2025, the school board retains the authority to rescind the incorrect resolution and adopt a revised, accurate version. This allows us to correct the record and ensure compliance with election regulations in a timely manner.
