

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 5/16/18 **Superintendent:** Dave Valenzuela

Administrator/Staff: Danny Pratt

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

NVHS Girls Basketball would like to go on a summer basketball trip **June 19-25** to Valley Catholic, Southridge (WA), Baker High School, Nyssa High School, Roaring Springs (ID), Burns High School and home.

Provide history/background information on your proposal:

Team camps are a traditional way for students to have a team bonding experience. At my previous school the athletes could not afford to go. We began road trips as a way for students to see more of the state and play other teams that they normally wouldn't be able to play. The students loved it and wanted to continue the tradition. I wanted the girls at North Valley to have a similar experience.

List the advantages of your proposal:

Team camps cost between \$245-\$445. By taking the kids on the trip we will be able to have daily practices and great team bonding. Players will only have to pay for lunches and entertainment. The NV girls basketball account will cover the cost of fuel and tournament entry fees, as well as the dinner and breakfasts. A lot of the meals will be provided by friends of North Valley High School.

List possible disadvantages of your proposal:

- Cost of fuel
- Cost to rent school vans
- Camping at schools

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

- Team camp - Too expensive
- Local Tournaments - We will for the rest of the summer but would like the players to have a summer experience
