
<u>8D. Action</u> Date: March 12, 2009

SUBJECT: APPROVAL OF TRI-COUNTY ELECTRICAL EASEMENT

SERVING TIMBER CREEK HIGH SCHOOL

BOARD GOAL: All systems in the Keller Independent School District will be

effective, efficient, and accountable in support of the district's

mission.

FISCAL NOTE: Bond Funds

Background Information:

- Timber Creek High School is served by Tri-County Electrical Service.
- At all District facility sites, we grant an access easement along the route that the power company lines follow to connect to our electrical equipment.

Administrative Considerations:

- This is a requirement for service from Tri-County Electric Cooperative, Inc. This
 easement runs along Timberland Boulevard, approximately 170 feet and turns to the
 south portion of the property to electrical equipment that services the main building, field
 house and baseball and softball fields.
- Granting this easement has no detrimental effect on our facility.
- The District's Legal Counsel has reviewed the document.

The Administration recommends the Board of Trustees approve the easement with Tri-County Electric Cooperative as presented.

Respectfully submitted,

Hudson Huff Director of Construction Services
