Re: Senior Scholars: An Early College Experience at North Lake

Consider board action on the Senior Scholars, An Early College Experience at North Lake program. The purpose of this presentation is to introduce the Board to the program. The Senior Scholars, An Early College Experience at North Lake program presentation is an overview report highlighting major components of the senior program, detailing the connection between the program and the high school strategic plan, addressing the partnership with North Lake Community College, and describing the recruitment process at CHS.
