Re: Dickinson Abatement Recommendation – 2021 Bond

I would like to request adding the Dickinson Abatement Project as an agenda item to the October 10, 2022, Committee of the Whole meeting so I can update the Board on the award recommendation for the summer of 2023 renovation project at Dickinson.

The bid responses were due and opened on September 28, 2022, and we received six responses. Members of the Bond Team reviewed the information and we are recommending Quality Environmental Services in Beaverton, Michigan, as the low responsible bidder in the amount of \$282,000.00.

Please contact me if you have any questions. Thank you.
