The Employer has the right to reclassify positions as appropriate due to changed circumstances such as changes in workload or job content.

6.2 Changes in Pay Equity Evaluation Systems

An employee whose position is reclassified at a lower level because of a change in the Employer's pay equity evaluation system will remain at his or her current classification. A new employee in a reclassified position will be placed at the appropriate reclassified level.

7. JOB OPENINGS

7.1 Notice of Job Openings

The Employer will post on its website for seven business days non-temporary job openings not filled by reassignment. All postings will be posted for internal and external candidates simultaneously. All postings submitted by 12:00 p.m. will count as the first business day. Qualifications for any opening are those listed in the Employer's official job description.

The Employer will post all open positions in a timely manner and will make every reasonable attempt to ensure positions are not left vacant.

The Employer will contact the Association President when jobs are posted.

7.2 Application for Job Openings

An eligible employee covered by this agreement who submits an internal application using the employer's online application system for any vacancy posted pursuant to this section will be interviewed. The employer and its agents will give fair and objective consideration to internal candidates. Probationary employees are not eligible to apply for a posted vacancy.

An internal applicant not hired for a position shall be informed by the hiring agent of the specific reason(s) why he or she was not chosen.

An employee promoted from a lower classification to a higher classification shall receive an immediate hourly wage increase.

8. LAYOFF AND RECALL

8.1 Recognition

The parties recognize the principle of seniority in the application of this Section, subject to the restrictions and limitations stated below.

8.2 Definitions

8.2.1 Full-Time Employee

A full-time employee for purposes of Section 8 only is defined as an employee who works 30 or more hours per week.

8.2.2 Part-Time Employee

A part-time employee for purposes of Section 8 only is defined as an employee who works fewer than 30 hours per week.

8.2.3 Calendar Day

A calendar day is defined as each day of the week, Sunday through Saturday. If the last day of a timeline is on a holiday, Saturday or Sunday, the timeline will be extended to 4:30 p.m. on the following business day.

8.3 Seniority Date

An employee acquires seniority upon completion of the probationary period as defined in this Agreement. Upon acquiring seniority the seniority date relates back to the date of hire of continuous service within the appropriate unit and is accumulative only within this appropriate unit.

8.4 Displacement Rights

8.4.1 Written Notice of Layoff

An employee whose position is being eliminated or reduced from full-time to part-time will be sent written notice via email and U.S. mail of the position elimination or reduction from full-time to part-time no fewer than fourteen calendar days before the last working day in the current position. The Department of Human Resources will send a copy of the notice to the representative designated by the Association at the same time it is sent to the affected employee.

The affected employee can elect to displace ("bump") in accordance with Section 8.4.3 and Section 8.4.4.

8.4.2 Written Displacement Request

The affected employee must submit a written request to displace to the Department of Human Resources within seven calendar days of the affected employee's receipt of notice of layoff.

8.4.3 Displacement Procedures, General Guidelines

The affected employee may elect to accept reduced hours being offered by the Employer as provided in Section 8.5, accept layoff subject to recall rights as provided in this Agreement, or displace using the following displacement procedures. The Department of Human Resources will use the current seniority list to facilitate any elected displacement procedures.

Displacement occurs in accordance with the chart in Section 8.4.6. A part-time employee cannot displace a full-time employee, nor can an employee displace an employee in a higher classification.

An employee serving in more than one classification is considered, for Section 8.4 only, as a member of the classification in which the employee's regular assignment produces the greatest monthly earnings.

8.4.4 Displacement Procedures, Process

The affected employee will displace the employee least senior within the affected employee's job classification provided they meet the minimum requirements for the position as described on the current job description or demonstrate they have the skills necessary to perform the essential duties of the position as determined by the Department of Human Resources.

If no opportunity exists for displacement within the employee's job classification, the employee will displace the employee least senior in the next lower job classification. If this opportunity does not exist, the affected employee will displace the employee who is the next least senior within that job classification. This displacement procedure will continue until the affected employee reaches the most senior employee in the lowest classification.

8.4.5 Displaced Employees

Each subsequently displaced employee may elect to displace using the process in Section 8.4.4. The displaced employee must submit a written request to displace to the Department of Human Resources within seven calendar days of the displaced employee's notice of displacement.

8.4.6 Illustrative Chart

For purposes of this displacement procedure, the chart below illustrates equivalent classifications, their hierarchy, and the order in which an employee may exercise displacement rights.

"A" employee can displace:	A B	D E	G
"B" employee can displace:	B	E	G
"D" employee can displace:		D E	G
"E" employee can displace:		E	G
"G" employee can displace:			G

8.5 Reduction to Part-time

In the event that a full-time employee's position is reduced, but as a result of that reduction continues to qualify as a full-time employee as defined in Section 8.2.1, the employee is not entitled to displace any other employee regardless of seniority. In the event that a full-time employee's position is reduced to part-time as defined in Section 8.2.2, the employee may accept the reduced position or may elect to displace in accordance with the provisions of Section 8.4.

8.6 Changes in Assignment

In the event that an employee's position is eliminated, or reduced to part-time as defined in Section 8.2.1, and another position is available within the employee's current classification for which the employee has the necessary skills and qualifications as determined by the Employer, the Employer will transfer the employee to that assignment. An employee in this situation is not entitled to displace any other employee regardless of seniority.

8.7 Layoff Application

An employee on layoff retains seniority and right to recall within an equal or lower classification in seniority order for a period of 15 months after the date of layoff, subject to the provisions of Section 8.8 below.

8.8 Recall

An employee will be recalled by seniority for a position within the same or a lower classification held prior to layoff for which he or she is qualified. Seniority between classifications is in accordance with the chart in Section 8.4.6.

8.8.1 Recall Notice

If a position becomes available for an employee who is on layoff, the Employer will mail by U.S. mail a notice of recall to the recalled employee and association president. The employee has ten calendar days from the date this notice is mailed to accept reemployment. If an employee does not believe he or she is qualified for the vacant position, he or she may submit in writing to the Department of Human Resources reasons the employee believes he or she is not qualified. This written submission must be made to Department of Human Resources within five business days of being contacted by the Employer. If the employee's written acceptance of the available position is not received by the Department of Human Resources within the ten-calendar day period, the employee has waived recall to the position then available.

The employer will provide training to recalled employees unless the employee is recalled to his or her original position.

8.8.2 Future Reinstatement Rights

The employee also forfeits any future reinstatement of employment rights subject to the following provision. An employee on layoff may only reject reemployment without forfeiting any future reinstatement of employment rights if (1) he or she was in a full-time position and was recalled to a part-time position; (2) he or she was recalled to a position in a lower classification; or (3) he or she was not qualified for the position as determined in Section 8.8.1.

8.9 Reemployment after Layoff

An employee who is separated as a result of layoff and who has not forfeited reinstatement rights under Section 8.8 will have years of service reinstated without limit upon reemployment, without regard to the number of years between the separation date and reemployment for the purpose of reaching a longevity step, tax-deferred matching contribution, and vacation benefits.

9. DUTY DAYS, HOURS AND OVERTIME

9.1 Duty Days

The specific scheduling of duty days for each nine or ten month employee is determined by the Employer at the beginning of the year, after consultation between the employee and the immediate supervisor, which should include the employee's identification of any observed religious holidays.

9.2 Regular Work Week

Forty hours, exclusive of 30-minute lunch periods, constitutes the regular work week. There are two paid break periods of 15 minutes each during each workday consisting of eight or more hours. The specific hours of work and break times for an individual employee are established by the employee's immediate supervisor. The work week begins at 12:01 a.m. on Sunday and concludes at midnight on the following Saturday.

9.3 Overtime and Compensatory Time

An employee will be paid at one and one-half (1.5) times the regular rate for all hours worked at the Employer's request in excess of 40 hours in any one work week. Authorized sick leave and holiday pay is considered time worked for the purpose of computing overtime. An employee required to work on a Sunday or scheduled holiday is paid two times the regular rate of pay for this time worked.

9.3.1 Definitions related to section 9.3

- Contracted 40 hour per week employees will accrue compensatory time for all hours worked in excess of 40 hours.
- Employees contracted to work fewer than 40 hours per week will accrue 1 (one) hour of compensatory time for

- each hour worked up to 40 hours in any one work week.
- Employees contracted to work fewer than 40 hours per week, upon reaching 40 hours in any one work week, will accrue compensatory time at the rate of one and one-half (1.5) times the regular rate for all hours worked in excess of 40 hours at the Employer's request.

The Employer may offer compensatory time off in lieu of overtime pay, to the extent authorized by law. Compensatory time will be calculated as above. An employee's scheduling of compensatory time is subject to approval by the employee's supervisor.

Compensatory time must be used or paid out every 90 days with the exception of the end of the fiscal year as noted below. If the Employer chooses to offer compensatory time in lieu of overtime pay, the employee may choose to bank the time as compensatory time. The immediate supervisor shall keep appropriate records of all compensatory time earned and used by the employee. Appropriate records include copies of the District form titled: Request for Overtime or Use of Compensatory Time, (Appendix I to Policy 431) and copies of time sheets submitted for payment of overtime.

An employee may accrue a maximum of 40 hours of compensatory time within each 90 day period. Once the 40 hour limit has been reached, the employee shall be paid monetary overtime for all hours of overtime work beyond the 40 hour limit. If the compensatory time is not used within 90 days, it will be paid out in the next available payroll upon submission of approved timesheet. Compensatory time may not be carried over to the next 90 day period of time. Compensatory time may not be carried over from one fiscal year to the next. Any compensatory time earned in the last quarter of the fiscal year ending June 30th shall be paid by submission of approved timesheet on the 6/30 payroll.

Upon separation from the District, an employee will be paid for all unused compensatory time up to the accrued 40 hour limit.

9.4 Replacement Pay

An employee assigned on a temporary basis to a position in a higher classification for a period of more than three consecutive working days is compensated at the higher rate of pay retroactive to the first day of the assignment. Step placement for the temporary assignment corresponds with the step placement of the employee's normal assignment.

An employee asked to perform the work of an employee outside of the unit for a period of more than three consecutive working days may request consideration for a pay rate different from the employee's regular pay rate. An employee has the right to refuse to work outside of his or her classification. The Employer's decision to permit or deny the employee's request is not subject to the grievance and arbitration procedure.

A part-time employee temporarily working in a higher classification is compensated at the higher rate of pay for the length of the

assignment.

9.5 Emergency/Weather Closing

An employee will be paid as follows in the event that school is delayed in opening, canceled, or closes early.

Delayed Opening: An employee will adjust hours to announced starting time and is paid regular pay (e.g. if school starts one hour late, report one hour later than usual).

School Canceled: An employee is not required to work when school is closed and will receive regular pay. An employee may be required to work an alternative day if school is subsequently rescheduled without any additional pay.

Early Closing: If an employee is sent home, the employee will be paid balance of scheduled hours.

10. VACATIONS AND HOLIDAYS

10.1 Vacations

An employee will be provided paid vacation time or vacation pay as described below. A scheduled holiday that falls within an employee's vacation period is not counted as a vacation day. An employee hired after June 30th will receive a prorated number of vacation days. Payment for vacation taken or paid in excess of that which was earned will be deducted from the employee's pay.

10.1.1 Paid Vacation Time for Twelve-month Employees

A twelve-month employee receives vacation days as set forth in the following schedule. The specific period of vacation is subject to the approval of the employee's supervisor. An employee may carry up to eleven days of vacation from one fiscal year to the next.

Provided that an employee notifies the Employer in writing a minimum of ten duty days in advance of intent to resign, an employee will be paid for unused, earned vacation. The maximum number of vacation days accumulated at the time employment is severed is eleven carryover days plus vacation earned in the last fiscal year of employment.

A part-time employee receives pro rata vacation.

10.2 Holidays

The Employer will observe 12 paid holidays per year for 12 month employees and 9 paid holidays for 9 month and 10 month employees on which an employee is not ordinarily scheduled to work. Placement of holidays for each year will be determined by the Employer each spring.

11. LEAVES AND ABSENCES

11.1 Basic Leave Allowance

An employee receives a basic leave allowance of one working day (8 hours for 1.0 FTE) per month for absence without deduction from pay. An employee working less than 1.0 FTE receives leave on a prorated basis. The basic leave allowance may be used for sick leave, family illness leave, personal leave and religious observance leave under the terms and conditions set forth in this Section. The leave is requested using the district's electronic leave system. This leave is deducted from the employee's basic accumulated leave allowance. Basic leave not used during any fiscal year accumulates without limit.

11.1.1 Sick Leave

An employee may use one day of accumulated basic leave allowance for each day of absence due to illness or injury. An employee who has been absent may be required to present a statement from a physician verifying an illness and certifying that the employee has recovered sufficiently to return to normal duties. An employee absent more than five consecutive working days must present this certification. If the Employer requires a certification for an absence of less than six days, the Employer will designate the physician and is responsible for paying the cost of the physician's examination. For certification of absences greater than five consecutive working days, an employee will be responsible for paying the cost of the physician's examination unless the Employer requires examination by a specified physician, in which instance the Employer will be responsible for paying the cost of the examination.

An employee receiving wage replacement benefits under the provisions of the Workers' Compensation Act is paid the difference between the wage replacement benefit and the employee's regular daily rate of pay to the extent that accumulated basic leave is available.

An employee receiving wage replacement benefits under the provisions of long-term disability insurance is paid the difference between the wage replacement benefit and the employee's regular daily rate of pay to the extent accumulated basic leave is available. Deductions from the employee's accumulated basic leave are according to the pro rata portion of basic leave used.

11.1.2 Family Illness Leave

An employee may use up to 12 days of accumulated basic leave in a fiscal year for serious illness of the employee's spouse, children, parents, or any relative or non-relative living in the employee's household.

An employee may use accumulated basic leave allowance for absences due to an illness or injury to the employee's dependent child for reasonable periods as the employee's attendance with the child may be necessary, on the same terms the employee is able to use accumulated basic leave for the employee's own illness or injury.

11.1.3 Bereavement Leave

For a death in the immediate family up to five days of accumulated basic leave may be used per incident. The immediate family includes spouse, children, parents, brother, sister, grandparents, in-laws of a similar degree of relationship, or any relative or non-relative living in the employee's household. For death or illness in other than the immediate family, up to three days of leave allowance may be used per incident.

An employee may, without deduction from pay or leave, also attend local funerals when (1) the absence involves approximately two hours and (2) coverage can be arranged from other employees, as necessary.

11.1.4 Personal Leave

An employee may use up to four days of accumulated basic leave during a fiscal year for personal leave. No more than two days will be taken consecutively unless approved by the employees' direct supervisor. The specific reason for the requested leave does not have to be given.

Requests for personal leave must be submitted in writing to the employee's immediate supervisor at least three duty days in advance except in cases of extreme emergency.

An employee making a timely request for use of personal leave may use such leave unless the employee is notified that his or her request is denied. Adequate staffing for buildings and/or departments must be ensured as determined by the supervisor.

The employee must ensure that he or she has personal leave days available. An employee is encouraged to check availability of personal leave by logging into the Employer's electronic leave system.

11.1.5 Religious Observance Leave

Up to three days leave shall be granted to an EPASS member for required religious observance. Such days must be recognized religious holidays and shall not be permitted for circumstances where personal alternative attendance options exist. These days shall be deducted from the basic leave allowance. Notification must be submitted to the Superintendent, or the authorized representative, in writing, at least two weeks prior to such absence.

11.2 Disaster Leave

For the duration of the contract, refer to the Disaster/Sick Leave Pool Memorandum of Understanding which supersedes this section upon the establishment of the Sick Leave Pool.

The Employer will provide disaster leave coverage for an employee who has exhausted accumulated basic leave prior to the commencement of long-term disability insurance benefits. An employee becomes eligible for disaster leave coverage after the employee has been continuously disabled and unable to work for 15 consecutive duty days, as certified by a physician. Disaster leave payments begin on the first duty day following the last day of basic leave payment and continues only for the period during which the employee remains continuously disabled and unable to work. Employer contributions toward group insurance coverage will continue while the employee is receiving disaster leave payments.

Disaster leave payments cease in any event after the 65th duty day of absence.

11.3 Parental Leave

Any employee is eligible for a leave of absence without pay for a period of up to 12 months for child care.

The employee will submit an application for parental leave at least 60 calendar days before the leave is to begin. The sixty-day requirement may be waived when an emergency makes this notice impossible. Child care begins at a date agreed upon between the Employer and the employee. Failure to return to work upon expiration of a leave of absence results in termination of employment. The employee will be reinstated to the employee's original job or to a clerical position with no reduction of monthly pay and retains all seniority and leave benefits accrued prior to taking the leave of absence.

11.4 Family, Medical and Parental Leave

An eligible employee may be entitled to up to 12 weeks of unpaid leave per twelve-month period consistent with law and the terms of the Employer's leave policy and procedure, as it may be amended from time to time at the sole discretion of the Employer.

Leaves taken under other sections that also qualify as leave under the Family Medical Leave Act are coordinated and taken simultaneously.

11.5 Leave of Absence Without Pay

An employee is eligible for a leave of absence without pay for a period of up to 90 calendar days, without loss of seniority, for the purpose of caring for a spouse, child or parent during an extended illness. The Employer may also approve, at its sole discretion, a request for a leave without pay for other purposes. Failure to return to work upon expiration of a leave of absence results in termination of employment. An employee on leave of absence under this section retains accrued benefits that the employee had accrued at the time of the commencement of the leave.

11.6 Judicial Leave

An employee who is absent because of required jury duty or a subpoena for any court duty will be granted leave and paid the difference between the employee's regular rate of pay and the payments received for the jury or court duty, unless the employee is a party in the case. If the School Board is a party in litigation, the employee receives regular pay while attending as a witness at the request of the School Board or its co-defendant in the case.

11.7 Substitutes During Leaves of Absence

If a twelve-month employee is granted a leave of absence of less than one year or a ten-month or nine-month employee is granted a leave of absence less than a work year, his or her position will be filled with a temporary employee who will be discharged without rights to Section 8 or Section 11.1. An employee granted this duration of leave is returned to his or her previous position so long as that position still exists. A position vacant due to the above-mentioned type of leave of absence may be filled by the Employer without posting the position; however, if the employee on leave of absence does not return to work, the temporary employee will be terminated and the position must be posted at that time.

11.8 Incentive Leave

An employee earns one unrestricted incentive leave day with pay if the employee completes the full prior fiscal year without using any leave allowance for personal sick leave, family illness leave or personal leave, as provided for in Sections 11.1, 11.2, 11.4, and 11.5 of this Agreement. This incentive leave day may be used upon three days written notice to the employee's supervisor. This day may not accumulate from one fiscal year to the next.

11.9 Superintendent's Discretionary Leave

Other types of absence not included herein are subject to the discretion of the Superintendent.

11.10 Return from Leaves of Absence

If a twelve-month employee is granted a leave of absence of more than one year or a ten-month or nine-month employee is granted a leave of absence of more than a work year, the position will be filled with a non-temporary employee. An employee granted this duration of leave is returned to any available position within his or her classification for which they are qualified as determined by the Employer. If there is no available position then this employee would invoke displacement procedure described in Section 8.4.

12. BENEFITS

12.1 Group Insurance Policies

The Employer will provide an employee working a regular schedule of 30 or more hours per week the program of group insurance coverage described in this Section. The provisions of this Section are merely descriptive of the coverage provided, and that an employee's eligibility for benefits is governed by the terms of the master insurance contracts in force between the Employer and the insurers providing coverage.

In the event there is a change in any of the carriers, the matter will be referred to the Insurance Committee for recommendation to management, subject to Minn. Stat. § 471.6161, Subd. 5.

12.2 Life Insurance

An eligible employee may participate in the Employer's group term life insurance program and will be insured for an amount equal to the whole number of thousands in annual base salary. Life insurance benefits are reduced by 50% when an employee reaches age 70. The Employer pays the entire premium for coverage. An eligible employee may apply for supplemental group term life insurance according to the Employer's current life insurance plan.

12.3 Long-Term Disability Insurance

An eligible employee may participate in the Employer's long-term disability insurance program. The Employer pays the entire premium for this coverage. An employee receiving long-term disability insurance benefits also remains eligible for Employer contributions for hospitalization-medical insurance.

12.4 Accidental Death and Dismemberment Coverage

An employee is eligible for accidental death and dismemberment insurance coverage in an amount equal to his or her basic annual salary rounded up to the next whole thousand. The Employer pays the entire premium for such coverage.

12.5 Hospitalization-Medical Insurance

Participation in the medical insurance program is voluntary. The Employer will contribute the following amounts toward the monthly premium of each employee enrolled in the coverages available.

Type of Coverage	Monthly Employer Contribution
Single	\$577
Single + One	\$805
Family	\$1048

In the event an employee selects a medical insurance plan for which the monthly premium is less than the Employer contribution, the Employer will deposit, into an employee's health reimbursement plan, the difference between the Employer contribution and the amount of the monthly premium.

An employee will contribute, through payroll deduction, any excess monthly premium remaining after the Employer's contribution toward the type of coverage for which the employee is enrolled.

Employees who are receiving wage replacement benefits under the provisions of the Workers' Compensation Act or long-term disability insurance remain eligible for the Employer contribution for hospitalization-medical insurance.

12.6 Dental Insurance

An eligible employee may participate in the Employer's dental plan. An employee who elects to enroll in the program will contribute the entire premium through payroll deduction.

12.7 Retirement Contribution Plans

An employee may contribute a portion of his or her base salary to the employee's retirement contribution plans, either tax-deferred or not tax-deferred, subject to the following subsections.

12.7.1 Approved Plans

The employee's contribution plans must be district-approved and subject to applicable provisions of Minnesota Statutes and IRS Codes and any amendments thereto. A list of eligible plans is available on the district's website and in the business office.

12.7.2 Eligibility for Matching Salary Deduction for Tax-Deferred 403(b) Matching Contribution Plan

An employee is eligible to participate in the tax-deferred 403(b)

matching contribution plan if (1) the employee has completed five years of service with the Employer and (2) the employee is assigned to work 20 hours or more per week. The Employer contribution is not payable unless the employee authorizes a matching salary reduction up to the amount he or she is eligible to receive under Subsection 12.7.3.

12.7.3 Employer Contribution for Tax-Deferred 403(b) Matching Contribution Plan

The amount of the Employer contribution will be two percent of the employee's annual base salary as specified in Section 5.1.

12.7.4 Employee and Employer Contribution for Plans

Contributions will be made to a district-approved company of the employee's choice, subject to the previous subsections. The employee is responsible for making all arrangements required with the vendor to ensure that proper payment can be made by the Employer.

12.8 Flexible Benefits Plan

An employee covered by this Agreement is eligible to participate in the Flexible Benefits Plan established by the Employer pursuant to the Internal Revenue Code, provided, however, that an employee meets all other requirements for eligibility set forth in the Plan.

13. DISCIPLINE AND DISCHARGE

13.1 Probationary Period

A new employee serves a probationary period of 120 duty days, during which time the Employer has the unqualified right to discharge the employee without assigning any cause and without recourse to the grievance procedure. At any time during the probationary period, the employee may request a review of his or her performance. An additional 60-working day extension of the probationary period may be required upon the mutual agreement of the Employer and the Association.

13.2 Discipline and Discharge

After an employee has completed the probationary period, the Employer may discipline or discharge an employee for just cause. A supervisor will adhere to School Board Policy 403 (Discipline, Suspension, and Dismissal of School District Employees). Disciplinary action normally includes the following actions and will normally be taken in the following order, except in cases of serious misconduct:

1. Oral Warning—notification and warning to employee;
2. Written Reprimand—formal notification in writing to employee;
3. Suspension Without Pay—loss of work and wages for a specified

period of time;

4. Discharge—termination of employment.

13.3 Representative and Employee's Personnel File

An employee has the right to request and have an Association representative present during any disciplinary action. The district will ask the employee if they want EPASS representation prior to meeting for any disciplinary action. The employee and his or her representative designee have access to the employee's personnel file. The employee and his or her representative will be provided with a copy of any disciplinary letter entered into these files and have the right to respond to the letter.

Any disciplinary action beyond an oral warning will be part of the employee's personnel file. The letter must include a statement of the rationale for the disciplinary action taken. A copy of the disciplinary letter will be provided to the Association President when written warning, suspension or discharge is involved provided that the Association has been in consultation with the employee and Employer.

If the employee disputes information contained in the personnel file and the Employer does not agree to remove or revise the disputed information, the employee may submit a written statement explaining the employee's position. This statement must be part of the personnel file for as long as the Employer maintains it. No written allegation is a basis for discipline unless it has been entered into an employee's personnel file.

Any disciplinary notice which has been in the employee's file for at least two (2) years may be removed upon appeal by the employee to the Director of Human Resources. In determining whether removal of the notice is appropriate, the Director of Human Resources shall consider any appropriate factors including, but not limited to: the severity of the conduct referenced in the notice and the employee's conduct since the time of the notice. The employee may have EPASS representation at the appeal, if desired.

14. GRIEVANCES AND ARBITRATION

14.1 Grievance

A grievance is defined as a dispute or disagreement as to the interpretation or application of any term or terms of this Agreement.

14.2 First Step

An employee or group of employees with a grievance will meet with the immediate supervisor within ten business days after becoming aware of the incident giving rise to the grievance, in an attempt to resolve the grievance. If the parties are unable to resolve the grievance within five scheduled working days of the meeting, the grievance will be denied. The employee may appeal the grievance to the second step. Failure to timely appeal will constitute a waiver of the grievance.

14.3 Second Step

An employee who is not satisfied with the disposition of the grievance of the first step will file a written statement of the grievance with the Director of Human Resources within ten scheduled working days following the meeting with the supervisor. The written statement must be dated and signed by the employee and/or the exclusive representative and will set forth the facts and state the provisions of this Agreement allegedly violated. The employee and/or exclusive representative and the Director of Human Resources will meet and attempt to resolve the grievance within five scheduled working days after filing of the written grievance with the Director of Human Resources. If the grievance is resolved, the written terms of resolution will be signed by both parties. If no resolution is reached within five scheduled working days after the grievance was filed with the Director of Human Resources, the grievance will be denied. The employee may appeal the grievance to the third step. Failure to timely submit the grievance to the third step will constitute a waiver of the grievance.

14.4 Third Step

An employee who is not satisfied with the disposition of the grievance at the second step will file a copy of the written statement of the grievance with the Superintendent within ten scheduled working days following the completion of the second step. The employee and/or exclusive representative and the Superintendent or designee will meet and attempt to resolve the grievance. If the grievance is resolved, the written terms of resolution will be signed by both parties. If no resolution is reached, the grievance will be denied. The Association may submit the grievance to arbitration. Failure to timely file a written notice of intent to arbitrate will constitute a waiver of the grievance.

14.5 Submission to Arbitration

The Association may submit to arbitration any grievance properly processed through the third step of the grievance procedure. The Association must file a written notice of intent to arbitrate with the Superintendent within 15 scheduled working days following the completion of the third step. Arbitration is conducted according to PELRA. A grievance may only be advanced to final and binding arbitration provided that the employee has not elected to pursue a veteran's discharge hearing and the timeline for such hearing has been exhausted, if applicable.

14.6 Jurisdiction and Authority of Arbitrator

The arbitrator has jurisdiction only over those grievances properly submitted to arbitration in accordance with the terms of this Agreement. The arbitrator has no power to add to or subtract from, or change, modify or amend in any way the terms and conditions of employment set forth in this Agreement. All witnesses will be sworn upon oath by the arbitrator.

14.7 Representation

An employee, supervisor, or administrator may be represented at any stage of the formal grievance procedure by any person or agent designated by the party to act in the employee's behalf.

14.8 Time Limitations

Since it is important that grievances be processed as rapidly as possible, the specified time limitations are considered as a maximum and every effort will be made to expedite the process. The time limitations may be extended only by mutual consent. Failure of an employee or the Association to comply with the limitations specified constitutes a waiver of the grievance. Failure of a supervisor or the Employer to act within the time limitations specified constitutes a denial of the grievance and the employee or the Association may proceed to the next stage.

14.9 Arbitrator's Decision

The arbitrator issues a written decision and order including findings of fact which are based upon substantial and competent evidence presented at the hearing. The arbitrator's decision must be rendered within 30 days after the close of the hearing. The arbitrator's decision is subject to all the limitations of arbitration decisions set forth in PELRA. Within these constraints, the arbitrator's decision is final and binding.

14.10 Expenses

The Association and Employer bears its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses the party incurs in connection with presenting its case in arbitration. A transcript or recording will be made of the hearing at the request of either party. The parties equally share fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses that the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of the transcript pays for the copy.

14.11 Grievance Mediation

Upon the completion of the third step, either party may request grievance mediation provided by the Bureau of Mediation Services ("BMS"), if there is mutual agreement to do so. In the event grievance mediation does not result in resolution of the grievance, the Association may file with the Superintendent a written notice of intention to arbitrate not more than 15 scheduled business days after the Mediator declares the grievance mediation unsuccessful. Decisions by either party as to its participation in the grievance mediation process may not be presented in arbitration.

15. MISCELLANEOUS

15.1 Staff Development

An employee or the Employer may request specific training or the Employer may require specific training. Reimbursement for training is subject to the prior approval of the Employer. Attendance at approved training will be granted without loss of pay.

15.2 Personnel Files

All evaluations and files generated within the school district relating to an employee are available during regular school business hours to an employee upon reasonable notice. The employee has the right to reproduce any of the contents of the files at the employee's expense, and to submit for inclusion in the file, written information in response to any material contained therein. The contents of these files will be subject to the School District's record disposition schedule.

15.3 Payments

15.3.1 Employee Severance Pay at Retirement

A written letter of intent to retire will be sent to Human Resources at least ten (10) working days prior to the last day of employment.

A member who has reached at least 62 years of age will receive severance pay for up to 20 years of continuous service to the district in the amount \$250 for each year. The employee must have a minimum of fifteen (15) years in the district, ten (10) of which are in the unit. A payment will be made to the employee's 403B account at the end of the fiscal year on June 30. The account must be with an investment company from the approved list of companies with the Edina Public Schools.

An EPASS employee who does not currently have a retirement investment account with the District will be required to complete and submit the 'Salary Reduction Agreement - Retirement Plans' form. This form is located on the District website and must be completed and submitted by June 1st of the fiscal year to the payroll department before the retirement severance payment can be made.

The total payment to anyone (1) employee will not exceed \$5,000.00.

15.4 Labor-Management Committee

The Employer and Association agree to the creation of a Labor-Management Committee ("Committee") for the purpose of developing a cooperative relationship between the parties through open dialogue and joint problem solving. The Committee will meet quarterly, unless both parties agree to meet more or less often. The Director of Human

Resources and Association President will jointly schedule quarterly meeting dates and times prior to July 1 of the fiscal year. Each party will select up to three (3) representatives to attend Committee meetings. The number of Committee members may be expanded by mutual agreement of the Employer and Association. The Employer will provide the facilities for Committee meetings.

16. DURATION AND RENEGOTIATION OF AGREEMENT

16.1 Term of Agreement

This Agreement becomes effective July 1, 2022, and continues in full force and effect to and including June 30, 2024, and annually thereafter, except as modified or terminated in accordance with the provisions of this Section.

16.2 Effect of Agreement

Any and all prior agreements, resolutions, practices, policies, rules and regulations regarding terms and conditions of employment, to the extent inconsistent with the provisions of this Agreement, are hereby superseded.

16.3 Termination or Modification

Either party desiring to terminate or modify this Agreement must notify the other party in writing at least 60 days but not more than 90 days prior to June 30, 2024, or at least sixty 60 days but not more than 90 days prior to June 30 of any year thereafter. A notice of desire to modify this Agreement will set forth proposed modifications sought by the party and all clauses of this Agreement for which no modification is sought are renewed automatically.

16.4 Negotiations During Term

The parties mutually acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited opportunity to make demands and proposals regarding terms and conditions of employment. All understandings and agreements arrived at by the parties are set forth in this Agreement. For the duration of this Agreement, the Employer and the Association each voluntarily and unqualifiedly waives the right to meet and negotiate, except by mutual consent if doing so is consistent with PELRA, regarding any and all terms and conditions of employment, whether or not specifically referred to or covered in this Agreement, even though the matters may not have been within the knowledge or contemplation of either or both parties at the time this Agreement was negotiated or executed.

APPENDIX C

EPASS MOU Memorandum of Understanding Between Edina Public Schools and EPASS Disaster/Sick Leave Pool

WHEREAS, Independent School District 273, Edina Public Schools ("District") and Edina Professional Association of Support Staff ("EPASS") have a common mission to support staff who suffer from an accident, illness or a recurring illness that exhausts their basic leave bank or who need to care for a family member who suffers from an accident, illness or recurring illness that exhausts their basic leave bank.

Be it THEREFORE resolved:

1. This MOU will supersede the language in the Agreement Section 11.2 Disaster Leave if approved by members for the 2022-2024 contract years.

Starting the Sick Leave Pool

- To initiate the Sick Leave Pool requires a minimum of 1,040 hours contributed by EPASS members to the pool and a minimum of 50% + 1 of EPASS members participating.
- Members who wish to participate in the Sick Leave Pool will be required to donate at least one (1) full-time equivalency day to the Sick Leave Pool.

Purpose

- The purpose of the Sick Leave Pool is to provide additional sick leave days to those members or immediate family members suffering from an accident, illness, or a recurring illness who have exhausted their sick leave.
- The Sick Leave Pool coordinates with Long-Term Disability (LTD) which begins after an EPASS member has been absent from their position sixty-five (65) consecutive work days. After 65 days the EPASS member must apply for LTD or return to work.

Membership

- EPASS members of the District, as defined in the Agreement, are eligible to be members of the Sick Leave Pool.
- In order to be members of the Sick Leave Pool they must donate at least one (1) day or full-time equivalency and may donate an unlimited number of hours.

- EPASS members must complete and submit a Sick Leave Pool enrollment form to join the Sick Leave Pool.
- New members shall be eligible to join the Sick Leave Pool within thirty (30) days of hire, or within 30 calendar days of the beginning of any succeeding school year.
- Members shall be eligible to join the Sick Leave Pool as full members within 30 calendar days of the beginning of any succeeding school year. Members eligible to join the Sick Leave Pool in 2020-2022, who then join at a later date, will donate one (1) day for each year for which they declined membership in the pool.
- A request to withdraw from membership in the Sick Leave Pool shall be in writing to the Sick Leave Pool Committee prior to ten (10) duty days after the beginning of any school year.
- Members who have accessed the Sick Leave Pool shall remain members of the Sick Leave Pool for the duration of their career in the District and cannot withdraw membership from the pool.
- All days donated to the Sick Leave Pool shall be irretrievable by the donor.
- The member cannot exceed the career maximum of 130 days of use including previous days used as disaster leave under Section 11.2 of the Agreement.

Sick Leave Committee

- The Sick Leave Pool shall be administered by the Sick Leave Pool Committee composed of two (2) employees appointed by the EPASS board and one (1) non-voting member to be appointed by the department of Human Resources.

Request

- A request for use of Sick Leave Pool days must be given in writing to HR and must be accompanied by a licensed physician verification that the applicant or the applicant's immediate family member is unable to work. For this section, an immediate family member includes a spouse, children, parents, or any relative or non-relative living in the employee's household. HR will confirm the receipt of the request within 48 hours.
- The Sick Leave Committee will review requests for use of Sick Leave Pool. Approval will be granted based on:
 - a. The member requesting access to Sick Leave Pool is a member of the Sick Leave Pool.
 - b. The requesting member has exhausted all basic sick leave time.

- c. The member has provided a physician's certification verifying the need of leave.
 - d. The member has not exceeded the career maximum of 130 days of use including previous days used as disaster leave under Section 11.2 of the Agreement.
- Human Resources will share a non-confidential version of the request with the Leave Committee. The Leave Committee will review all requests in a timely manner and a majority vote of the Leave Committee will determine whether or not a request is approved.

- Members who become members of the Sick Leave Pool and who are working less than full-time (40 hours per week) shall be eligible for benefits only for the pro-rata portion of the school day for which they are employed.

Donation of Sick Days

- Should the number of days in the Sick Leave Pool at the end of the school year be less than five hundred and twenty (520) hours, the committee shall have a leave drive or require each

member of the pool to donate one (1) full time equivalent day. Members will be able to donate their basic leave under Section 11.1.1 of the Agreement into the Sick Leave Pool during any leave drive. All donated hours will be deducted from the contributors' accrued basic leave totals under Section 11.1.1 of the Agreement. A member may donate unlimited hours during a drive.

- A Leave Drive may occur at the discretion of the Sick Leave Committee.
- Upon retirement or separation from the District, any EPASS member whether they are currently a member of the Sick Leave Pool or not, may donate any unused sick leave to the Sick Leave Pool. This clause takes effect for retirements as of January 1, 2022 to be added to the Sick Leave Pool at its inception.

This agreement will be reviewed during contract negotiations for the 2024-2026 contract, and is subject to recertification by both parties.

Section 11.2 Disaster Leave will remain in the EPASS Agreement for the 2022-2023 and the 2023-2024 school years during which time the Sick Leave Pool will be reviewed to determine its viability for the 2024-2026 contract.
