Re: House Bill 3 District Goals and Implementation Plan

At this time, we are asking the school board to approve the House Bill 3 District Goals and Implementation Plan for the upcoming 2020-2021 school year. These goals are also aligned with the Superintendent goals as well as will be embedded into the 2020-2021 District Improvement Plan, which will be presented to the board at the August 2020 school board meeting.

The district plan will extend beyond this school year for all three of the areas: Reading, Math and College, Career and Military Readiness (CCMR) as there will be growth tracked over periods of time and various pieces implemented each year. We will have yearly updates and progress monitoring points in order to review growth of learners and implementation steps for the Reading Academies goals/data, Math goals/data and Career, College and Military Readiness goals/data.

RECOMMENDATION: Approve the House Bill 3 Goals and Implementation Plan for Coppell ISD.
