The 2015-2016 school year has begun, and we have hit the ground running! It has been busy and exciting with Homecoming week, fire drills, tornado drills, bus evacuation drills, and picture day. Our entire staff and students are working hard and doing great! We made a little adjustment with our 4th grade team. Mr. Ham will be teaming up with Mrs. Reid to teach Writing. He will still teach Social Studies and Science as well. Mrs. Reid will also still be teaching Reading, Spelling, and Grammar. Mr. Ham and Mrs. Craig will be attending the two-day Empowering Writers Workshop in Lubbock on September 30th and October 1st. We are excited about this learning opportunity for them, and have high hopes that this will help our students improve their writing skills.
