

Early Graduation Application

Students applying for early graduation must submit this application to their counselor no later than **September 15**. Students who would like to graduate early must be a junior or senior and meet the following criteria at the time of application:

1. Students must have a minimum 3.0 GPA
2. Students must meet graduation cut scores on all parts of the Graduation Exam and all other standardized assessment criteria in their 11th grade year.
3. Students must have completed all credits before date of early graduation.

Name Marlene Amarillas

Grade 11

Please describe the specific reasons for choosing this alternative and state your post graduation plans:

Hello,

My name is Marlene Amarillas. I am currently a Junior (11) at Aztec High School. I have always been an 'A' and 'B' student and never failed a class. My gpa for Quarter 1 was a 3.7 and is still currently a 3.7. I would want the headstart of graduation high school early in order to start my career faster. I am very good at managing my time. This is an academic challenge I know I can succeed in. I have been in the Healthcare class for over a year now. I would love to major in nursing as a Neonatal nurse at NMSU. Doing this would help me get into the workforce faster as well. Thank you for even making this opportunity even possible.

Get the following information from your counselor:

GPA 3.3

PARCC / NMHSGA (proficient on all parts): _____
