Dear School Board,

April was quite the month at Glendale Elementary. Students have been working hard to get their studies done. They have been learning about countries in Europe and did Google Slide presentation on the country they studied.

We had a contest where students would design the slogan for MBI and the winner was Marilyn Waldner. Her slogan was:

*Respect others and they will respect you  
Accept your responsibilities 'cause others have their own  
Be safe, it's better than sorry!*

Marilyn's poster had the most votes and she won a \$10 gift card to Subway.

Students are working on their SBAC testing this week and they really want to do well.

We're going to keep teaching and learning at Glendale until the end of school. We have the 8<sup>th</sup> grade graduation approaching on May 18<sup>th</sup> and our 8<sup>th</sup> graders are excited for it.

Thanks,  
Natasha Siliezar
