Approval of Clubs, Athletic and Band Fees

Our clubs and activities are booming with participants, even offering additional clubs and additional times. To help encourage participation of all students, we are recommending that the costs of clubs, athletic, and band activity fees stay at \$20 for the 2022-2023 school year and will reassess fees for the 2023-2024 school year.

Recommended Motion: “I move that the Board of Education set fees at \$20 for clubs, athletics and band for the 2022-23 school year.” ***(Roll Call Vote)***
