

MAINTENANCE REPORT  
JUNE 2018

Submitted by: Reid Reagan

Maintenance staff has been busy filling summer work order requests throughout the buildings. Doing preventive maintenance on the heat systems, consisting of boilers, furnaces, air handler filters and piping. Moving classroom furniture from school to school for transferring teachers.

HIGH SCHOOL:

Removed chairs, tables and tarps from gym used for the Walking Shield eye exam stations. After cleaning floor and lights moved tarps, tables, chairs, and stage/risers back in and setup for graduation. Pressure washed entrances and painted handicap parking spaces. Reinstalled flag pole and roof vent which were blown off by the high winds.

BMS:

Installed new wifi transmitters in gym area. Replaced elements in hot water booster heater for the dishwasher in kitchen.

NAPI:

Interstate Alarms repaired faulty fob reader at main office entrance. Repaired backed up sink in janitors closet. Remove trash and unwanted items and clean shampoo apartment building

BES:

Setup stage/risers for BCC Graduation. Interstate alarms installed new motion sensor in gym area, repaired bad door/stop connections at south and north gym entrances.

KWB:

Prepared site for new storage container positioned next to VC, moved storage items from classrooms to new storage. Removed basketball hoops and swing sets from playground for summer and put in storage. Setup gym for graduation and the animal spay/neuter clinic.

VC:

Replaced faulty element to ceiling heat unit in downstairs girls restroom. Set up the jumping castles in playground area for KWB and VC end of school year party.

---
