## ***Whole Student***

### **Current Work**

- WEB
  - May Development day was a great success and a perfect way to set the stage for next year
  - Mrs. Cerny will getting trained as a staff WEB Leader in June
- Raise Your Voice
  - Raise Your Voice partnered with the TMS Student Council to sponsor the TMS Color Run on May 31st
    - The club had several students pack “swag bags” that promoted mental awareness and distributed to all participants in the color run, all elementary students, and they were available to high school students during their lunch hour.
    - We had approximately 150 students participate in the color run
    - Several students have also committed to participating in the Summer Summit at UWSP in early August.

## ***Communication & Community Engagement***

- [TMS June Newsletter](#)

## ***District Workforce***

### **Current Work**

- Love and Logic Training
  - The middle school staff started our Love and Logic training in June that will carry over to the fall. This will help us to have consistent messaging with students throughout the middle school.
