Good Afternoon,

Milk bids was won my Prairie Farms. As you can see from attachment the milk price went up by 3 cents and the juice prices stayed the same from the year before.

Aunt Millies won the bread bid. Their prices stayed the same, no changes.

MJ Kellner and Kohl Wholesale won the frozen and can good bids. Paper goods are up because of Covid but over all prices did raise slightly across the board. Im glad I bid two companies because if one is high I can order from the other one.
