

Action Sheet

MEETING DATE:

August 2, 2023

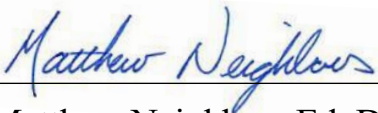

AGENDA ITEM:

**Discuss and consider approval of the 2023-2024
Salary Structure**

During the June 21, 2023 School Board Meeting, the GISD School Board adopted the 2023-2024 Salary Plan. The Business Department and Human Resources Department are requesting a formal adoption of the 23/24 salary structure due to the reduction in calendar days. The structure will be adjusted by 2.35% on mid-point, which is the minimum percentage of increase due to the change in calendars. Then the 2% on the 22/23 Mid-Point will be added to calculate salaries for all new hires.

RECOMMENDATION:

**I move that the board adopt the
change in the GISD 2023-2034
salary structure as presented.**
